

Threat of Tieup By Strikes

Rail Switchmen On Five Roads in Call For One to Be Effective Sunday

By the Associated Press

Threats of a general railroad tieup and renewed violence at the strike-bound American Enka Corporation at Morristown, Tenn., highlighted the nation's labor picture today.

AFL switchmen have called a strike for Sunday against five big western and midwestern lines. Carriers said the threatened walk-out July 15 by two other unions would make the rail paralysis nationwide.

The three unions notified railroads yesterday they were rejecting wage and hour recommendations made by a presidential fact-finding board. The switchmen, who have met requirements of the Railway Labor Act, set their strike to begin at 6 a.m. local time Sunday.

The roads to be struck then are Chicago, Rock Island and Pacific, Great Northern, Chicago Great Western, Denver and Rio Grande Western and the Western Pacific. The trainmen and conductors' unions are restrained from striking until July 15 by the law's 30-day "cooling off" section. They will meet in Chicago July 10 to consider future action.

AFL transit workers returned to their street cars and busses in Los Angeles yesterday with an immediate five-cent hourly wage increase and an additional three cents a year from now.

No Breaks By Bakers

There were no breaks in the strikes of bakers in five west coast cities, milk drivers in Pittsburgh, and editorial workers of the New York World Telegram and Sun. Presidential board recommendations rejected by the railroad unions are a 40 hour week and a 18 cents hourly pay increase. The board recommended against pay boosts for trainmen and conductors.

Other developments on the labor front included: Ford Motor Co. filed an unfair labor practice charge against AFL blacksmiths and drop forgers because of a two-day strike at Ford's Canton, O., forge plant. The company said the CIO United Auto Workers has bargaining rights there and said the AFL union seeks to force recognition. The NLRB in Cleveland ordered an immediate hearing.

Ford said the strike threatens to stop its entire operations and idle 117,000 hourly rated employees.

International Harvester Company said six of nine CIO United Auto Worker locals have ratified its \$100 monthly noncontributory pension plan. Locals at Evansville, Ind.; Springfield, O.; Louisville, Ky., and Memphis, Tenn., approved the plan, putting it into effect.

Atlantans waited anxiously the end of a 36-day transit strike. The 1,300 striking drivers and mechanics gave a roaring approval last night to a contract offered them by a group which is trying to buy the transit system. The contract offered the strikers includes a pay hike and welfare clauses the union sought.

Prince Philip Is Relieved From Destroyer

LONDON, June 22.—(AP)—Prince Philip is being relieved as first lieutenant of the Destroyer Chieftains and is returning here on home leave next month, the admiralty announced today.

Princess Elizabeth, his wife, is expecting the birth of their second child this summer. Prince Philip is scheduled for reassignment as commander of the Destroyer Magpie later this year.

Two Killed, Six Injured in Explosion

NATCHEZ, Miss., June 22.—(AP)—An accumulation of gas exploded in the basement of a downtown restaurant last night, killing two persons and injuring six others.

The blast wrecked the Italian kitchen, which was being remodeled, broke show windows of adjoining buildings and shook the entire downtown section. Dead were John Parker, 49, and Mrs. Anthony Matello, wife of a co-owner of the cafe.

Chinchillas Valued at \$11,000 Were Stolen

ST. JOSEPH, Mo., June 22.—(AP)—Eleven chinchillas valued at \$11,000 by the owners were stolen Tuesday night from the Double M chinchilla farm, Sheriff C. A. Jenkins reported.

Charge Filed On Murrell

Accused Killer Told Police He Was 'Needled'

KANSAS CITY, June 22.—(AP)—Police said that Earl G. Murrell, charged with first degree murder of his ex-boss, told them he was being needled by mysterious people following him around.

Murrell, 37-year-old Carthage, Mo., man employed at Coffeyville, Kas., was held without bond today in the slaying of Marshall Dean, assistant manager of the big President hotel here.

Magistrate Bernard W. Gueffow set the preliminary hearing at June 28. Murrell pleaded innocent at his arraignment yesterday.

Police said Murrell described the needling in a wire-recorded statement given to Sgt. Leon Hoedl. After relating that he quit his job at the President hotel in 1948, Murrell said:

"I was having too much trouble. Someone broke into my room and I noticed some needle shots in my body, legs and arms. It was upsetting my kidneys and my whole system."

Hoedl said Murrell related later in his statement that the needling continued and he blamed it on Dean.

Thirty Injured in Balcony Crash

REDWOOD CITY, Calif., June 22.—(AP)—Thirty persons were injured last night when the ceiling over the balcony of the Sequoia theatre collapsed and showered 10 tons of ornamental plaster on moviegoers.

Fifteen were injured enough to need hospitalization, but only one was in serious condition early today. The others required only first aid.

Mrs. Vangie Case, 34, of Redwood City, was still unconscious in Palo Alto hospital several hours after the accident. She either jumped or fell from the upstairs lounge seats in front of the balcony. She was not in the area where the plaster fell. No one was certain in the confusion which followed the crash.

Her husband, Dr. Robert Case, a staff member of the Palo Alto hospital, said her injuries consisted of a possible concussion, possible internal injuries and a broken finger. First report that her legs were broken in the 30-foot drop to the main floor were not borne out by hospital examination.

Six other persons were taken to the Palo Alto hospital and eight to the San Mateo community hospital.

Be Deputy on Treaty Council

WASHINGTON, June 22.—(AP)—President Truman said today Charles Spoford, New York lawyer, will be the American deputy on the North American treaty council—a key post in defense of the west.

Mr. Truman gave out this word at a news conference at which he also (A) praised work in European union and (B) reaffirmed his approval of the French plan to pool European coal and steel production.

Foreign ministers of the Atlantic Treaty allies decided in London last month to set up the council as a permanent organization to coordinate military, economic and political policies of the pact nations. The deputy members will represent the foreign ministers.

Spoford, 47, served with the Civil Affairs Section of the Army, in the Mediterranean area, during the last war and attained a rank of brigadier general. Other than his Army service he has not worked for the government.

He is a native of St. Louis.

Kem And Donnell Split On Extending Controls

WASHINGTON, June 22.—(AP)—The rollcall by which the Senate last night approved a joint conference report on extending federal rent controls included:

Democrats for the conference report—Fullbright, Arkansas, and Kerr, Oklahoma.

Republicans for—Daisy, Kansas, and Donnell, Missouri.

Democrats against—McClellan, Arkansas.

Republicans against—Kem, Missouri, and Schoepfel, Kansas.

Together On Segregation Vote

WASHINGTON, June 22.—(AP)—The rollcall by which the Senate last night eliminated a racial segregation amendment sponsored by Senator Russell (D-Ga.) from the draft act extension included:

Republicans for eliminating the amendment—Fullbright and McClellan, Arkansas; Kerr, Oklahoma.

Democrats against eliminating the amendment—Fullbright and McClellan, Arkansas; Kerr, Oklahoma.

Plane Armada Poises For Flight

FAIRFIELD-SUISUN AIR BASE, Calif., June 22.—(AP)—The 10-plane armada of B-36 bombers which have been poised here for three days for a flight over the Pacific started taking off this morning.

The air base public relations officer announced briefly that the giant, six-motored, 10,000-mile planes started leaving the ground "about 6 a.m. (7 a.m. CST)" and "all were expected to clear the base by mid-morning. The super-bombers were leaving at 15-minute intervals, he said.

The announcement said nothing of the destination of the flight, other than the previous information that they should head toward Hawaii, where at least seven are expected to land.

Nationalists Win For Governor

BOONVILLE, Mo., June 22.—(AP)—The Nationalist party today elected its candidate for governor, but the Federalists won one of the other 12 offices in the Missouri Boys' State election.

Fielding Polachnick of Sikeston won the election for governor, defeating Willet Beavers of Joplin. The other successful candidates: Nationalists—Neil V. Mesler, Kirkwood, attorney general; John Hughes, Columbia and Ronald D. Mouser, Dexter, members of supreme court.

Federalists—Homer Martin, Columbia, lieutenant governor; D. Crowell, Columbia, secretary of state; Leroy Gockenbach, Florissant, treasurer; Gen. Boucher Jefferson City; Irvine G. Dyer, Marshall; Robert Joseph Lee, Columbia; Robert McCullough, Albany and Thomas A. Scharfberger, St. Louis, all justices of the supreme court.

The officers will be sworn in tonight by a member of the Missouri supreme court. Expected to attend the ceremony are Judges George Robb Ellison, C. A. Leary, Jr. and Roscoe P. Conklin.

Charge Illegal Shipping Deer

DENVER, June 22.—(AP)—Two St. Louis businessmen and the former operator of a Colorado hunting camp, are charged with shipping illegally-killed deer from Colorado to Missouri in a complaint on file today in U. S. district court.

Named in the complaint are Thomas Lee Omahundro of St. Louis, W. F. J. Pienup of Overland, Mo., a St. Louis suburb, and Forrest F. Voss, 38, of Metairie, La., Wash.

Frank Poley, U. S. game management agent, said he had evidence that between 1946 and 1948 the three shipped a total of 23 illegally killed deer out of the state from Voss' hunting camp. He said he had statements from the two Missourians that they wanted the meat to give away to friends.

The accused men face possible maximum penalties of \$500 fine or six months in jail, or both.

Mr. Truman gave out this word at a news conference at which he also (A) praised work in European union and (B) reaffirmed his approval of the French plan to pool European coal and steel production.

'Drop Around to Pick Up' Purse

SEATTLE, June 22.—(AP)—Doug Smith, Northwest Airlines transportation agent, found a woman's purse containing \$800 in cash, \$140 in travelers' checks and a bank book for an account of more than \$3,000.

Trying to find an identification, Smith could locate only a Puyallup, Wash., postoffice box number. Starting with that clue he traced the owner to a doctor's office, then to an apartment where the woman once had lived and finally located her in Tacoma.

"Oh, yes, my purse," she said casually. "I'll drop around to pick it up."

Straight Vote As 'Always'

Truman Gives Views on Ohio And Mo. Primary

WASHINGTON, June 22.—(AP)—President Truman said today he would vote the straight Democratic ticket if he lived in Ohio. He added that he thinks Ohio without a doubt will elect a Democratic senator this fall.

Mr. Truman got into the question of Ohio politics at his news conference. He was asked about a statement by Ohio's Gov. Frank Lausche earlier this week that Lausche didn't know yet whether he would vote for Republican senator Robert Taft or Joseph T. Ferguson, the Democratic nominee.

Lausche made the politically mystifying assertion at the annual governors' conference at White Sulphur Springs, W. Va. He came on here today to attend a luncheon of Democratic governors with Mr. Truman.

The President at first refused to comment on Lausche's statement. Then he was asked what he would do if he were in Ohio.

Speaking in measured terms, Mr. Truman said he would vote the straight Democratic ticket just as he always does.

In connection with the luncheon Mr. Truman made plain that governors J. Strom Thurmond of South Carolina and Fielding Wright of Mississippi were not invited to attend.

Wright and Thurmond headed the States' Rights ticket which opposed the regular Democratic ticket which nominated and elected Mr. Truman in 1948.

The President was asked whether the two southern governors had snubbed the luncheon or whether they had not been invited.

Mr. Truman replied they were not invited and added, "I only invited Democrats."

The President wouldn't take any position on the Democratic senatorial primary race in Indiana. He said that in his own state of Missouri he is confident Emory Allison, whom he has previously endorsed, will win the Democratic nomination to run.

Bandits Held up Safeway Store

WEBB CITY, June 22.—(AP)—Two armed bandits held up the Safeway Store shortly after 8 a. m. today and escaped with an estimated \$1,500 to \$2,000.

The estimate was made by City Marshal Frank Byrd.

The bandits forced James C. Horn, manager of the store, to open the safe and then locked Horn and Ted Testerman, manager of the produce store in a produce locker.

Sheriff George Hickam said the two bandits walked into the store through the back door, one pulled a gun on Horn and the other held a gun on Testerman.

It was the third time the store has been robbed. About two months ago two bandits kidnapped Horn and Sheriff Hickam's son, Benny, who was working at the store at closing time. The robbers were captured later and are now in jail awaiting trial.

Gunfire at Enka Plant Wounds Three

Later a Barrage Shatters Windows in Second Outbreak

MORRISTOWN, Tenn., June 22.—(AP)—Gunfire at the strike-ridden rayon plant of the American Enka Corp. brought mass arrests by State Highway Patrolmen sent in to curb further violence.

Sixty-five men, identified by patrolmen as strikers, were arrested and fingerprinted at Hamblen county jail.

MORRISTOWN, Tenn., June 22.—(AP)—Three men were wounded by gunfire at the American Enka corporation today and two hours later a barrage of gunfire shattered windows in the strike harassed rayon producing plant.

Gunfire erupted at 7 a. m. during a change of shifts at the plant, scene of recurrent disorders since the CIO Textile Workers' union local 1054 went on strike March 28 in support of a wage increase and other benefits.

Three men were felled in this firing.

The battle of gunfire was heard again shortly after 9 a. m. when plant officials said, bullets apparently were fired from a highway leading to the main gate. Windows were shattered by these shots but no one was injured.

The official said at the time of the second outbreak about 80 to 75 men were milling around the gate armed with rifles, shotguns and pistols.

Armed Patrol to Scene

The state highway patrol immediately sent 70 heavily armed patrolmen with gas bombs speeding to the trouble center.

In Nashville, the state adjutant general's office said a number of high national guard officers in East Tennessee had been alerted for possible strike duty.

Gov. Gordon Browning, who once before called out the militia to patrol the plant, was in Washington today for the governors' reception being given by President Truman.

Only Browning could give the leader for the national guard to arrive.

When Browning called out the troops previously he was criticized by CIO chief Philip Murray for using the troops as "strikebreakers."

One report received by highway patrol headquarters in Nashville, apparently erroneous, said two men had been killed. There was no confirmation of this report from any source.

State safety commissioner Sam Neal and patrol captain W. T. Shelton started here from Nashville by automobile. Other details of patrolmen were rolling toward Morristown from Knoxville, 40 miles to the west and Kingsport, 80 miles northward.

Morristown, a city of 8,000, is an industrial and agricultural center in a tobacco area 42 miles east of Knoxville.

The patrolmen have orders to disperse strikers milling about the gate of the Enka plant, seven miles from here. The pickets re-

Mildred Shobe Hospital Cook

Mrs. Mildred Shobe, 411 West Clay street, was employed Tuesday morning by Mayor Herb E. Studer, as cook at City Hospital No. 2, and has entered upon her duties there.

Lillie May Buckner, former cook, quit about June 15. The matter was reported to Republican mayor Studer and Democratic councilman Elmer C. Sumners. Studer employed Mrs. Nettie Wise of 720 North Lamine avenue and Sumners, not being able to contact Studer, and believing an emergency existed, employed Mrs. Dorothy Burnham, 519 West Morgan.

For awhile both cooks were on the job, then Dorothy Burnham was released and Mayor Studer placed Nettie Wise's name before the council Monday night for confirmation as a city employee. The majority of the council voted "No." Tuesday morning she was taken off the job by Studer and Mildred Shobe employed, temporarily, until such time as an appointment is made and approved by the aldermen.

Communist Police Chief In East Germany Dies

BERLIN, June 22.—(AP)—Kurt Fischer, 49, Communist chief of East Germany's police, died today. The west charges his force actually is an army of 40,000 men.

The East German government's information ministry announced Fischer's death occurred in a sanatorium and said it was due to a heart ailment.

The uniformed black-booted forces which Fischer headed have been described by western powers as a Moscow-inspired illegal German army and their dissolution has been demanded.

Kindness Brings On Fine of \$25

TUCSON, Ariz., June 22.—(AP)—A Tucson resident who saved five quail chicks from drowning has had his kindness repaid by a \$25 fine.

Glen Malone was found guilty of illegal possession of game birds. He told the court he and his wife rescued the baby quail when their nest fell in a stream two years ago. He made pets out of the birds and kept them in his backyard.

Last week they were confiscated by a game warden. Malone said he did not know he was violating the law.

'My Gosh, Trying to Get Out of Way'

CLEVELAND, June 22.—(AP)—After a 19-block chase in which he hit 60 miles an hour on his motorcycle and blasted his siren all the way, Patrolman Robert Barons caught up with a woman driver on Chester avenue yesterday. Her explanation:

"My gosh, officer, I was trying to get out of your way." She was given a court summons for driving without a license.

Reward Off on Ballots' Theft

KANSAS CITY, June 22.—(AP)—A \$10,000 reward for information leading to the conviction of persons who blasted the courthouse safe and stole ballots cast in the 1946 primary here has been withdrawn.

Anonymous sources offered the reward in the investigation of the theft by a grand jury called by Circuit Judge Allen C. Southern in 1949.

Tells of Plans Of Designing New Home

N. O. Reybun Is Speaker Before Kiwanis Club

Plans for designing and manufacturing a new type of modern home were revealed to Sedalia Kiwanis by Neal O. Reybun, president of the Home Building Corporation, in a talk before the club members meeting in Bothwell hotel Thursday noon.

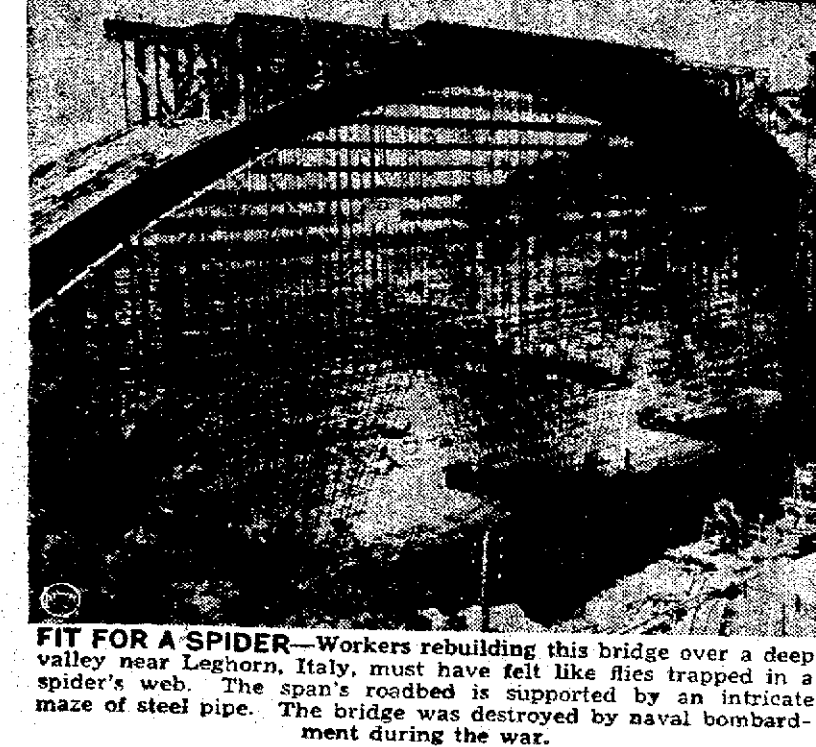

The speaker was introduced by William Ward, program chairman. Mr. Reybun told about progress of the local industry since it started building home three years ago, its survival as a going concern today, while many others with benefit of government hand-outs have dropped in failure by the roadside. The Sedalia concern is now building two conventional type homes a day with a force of about 50 employees locally.

Flexible Rooms

The speaker also told about a newly designed home with flexible rooms that will be built by the local company and tested over the winter months in Kansas City in answer to the current and future increasing demand for more livable homes for less money.

This can be brought about by better designing and good factory business management, he said.

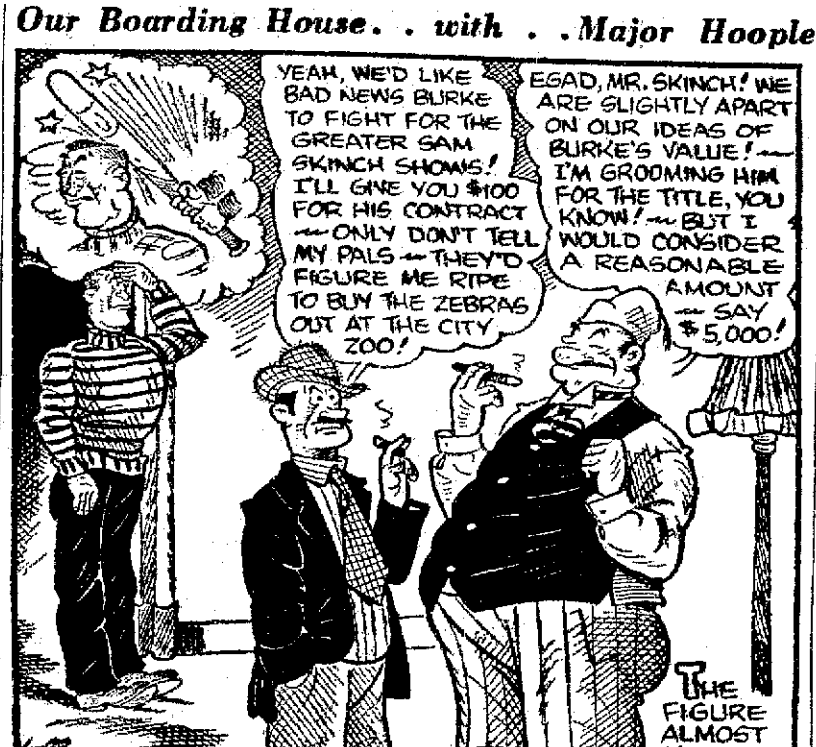

W. F. Keyser was presented a Legion of Honor certificate for membership in the Sedalia Kiwanis club for more than 25 years. He was a charter member and the club's first president in 1922 and since that time has served continuously on the board

Larry Vilmer Benefit Game Tonite at Park

Young Player Was Badly Injured in Recent Ball Game

Tonight Sedalia baseball fans will have an opportunity to express their appreciation of the endeavors of Larry Vilmer as the Sedalia Chiefs meet the Boonville Lions in a benefit game played at Liberty park at 8:15 o'clock. Pitchers for the contest will be announced at game time. Leon Nold will catch for Sedalia.

Vilmer was injured in a league game against Boonville at Sedalia on June 11 and the Boonville club has agreed to return to Sedalia for this non-league game without charge. As a result of the compound fracture of the right jaw Vilmer will not only be out of league play for the remainder of the season, but will be unable to work during the summer.

The purpose of the game, the funds from which will be turned over to Vilmer, is to compensate for the money lost by him due to his absence from work, so that he might be able to continue his studies at Central Missouri State College at Warrensburg.

Since graduating from Smith-Cotton high school he has been attending C.M.S.C. working in the summer to obtain enough funds to carry him through the winter term at college.

Injured When Hit By Ball

Vilmer was injured in an attempt to run from second to third base. A teammate hit a ball down the third base line which was fielded by a Boonville player, who started to throw to second base for a double play. Vilmer was within a few feet of the player when the ball was thrown and the ball struck him on the right jaw just under the ear, breaking the bone in two places. Although he was knocked down he succeeded in rising and reaching third base safely before he collapsed.

Expenses Cut to Minimum

The ball club has arranged to take care of his medical expenses. The cost of putting on the game has been cut to a minimum: the lights are to be furnished by the Sedalia park board, the umpires, Johnny Thomas and Palmer Nichols will work free, tickets were contributed by the Sedalia Times and the Boonville club has offered its services free.

At the present time Boonville is in the first division of the southern division of the Ban Johnson league. Boonville is endeavoring to gather a delegation from that town to help in the benefit.

Tickets for the game can be purchased at the ball park or advance sales are handled by Cal Rodgers, whose telephone number is 908.

Murphy Partner Baseball Club

WASHINGTON, June 21.—(P)—Henry Gabriel (Gabe) Murphy, an insurance broker, today became 81-year-old Clark Griffith's major partner in the Washington American League baseball club, Griffith announced.

At the club's office the Senators' president said he had just received a telephone call from Murphy advising that he had bought 40.4 per cent of the club's stock from John J. Jachym of Jamestown, N.Y.

The deal involves 7,851 shares which Jachym purchased only last December from the estate of William E. Richardson, formerly major stockholder with Griffith. The amount of cash involved in the Jachym-Murphy deal was not made public today. It was understood that Jachym had paid about \$550,000 for the shares when he bought them six months ago.

Musial Still In Favored Spot

CHICAGO, June 22.—(P)—Stan Musial, St. Louis Cardinal first baseman-outfielder, remained the favorite of the nation's baseball fans today as the 20-day all-star poll reached the halfway mark.

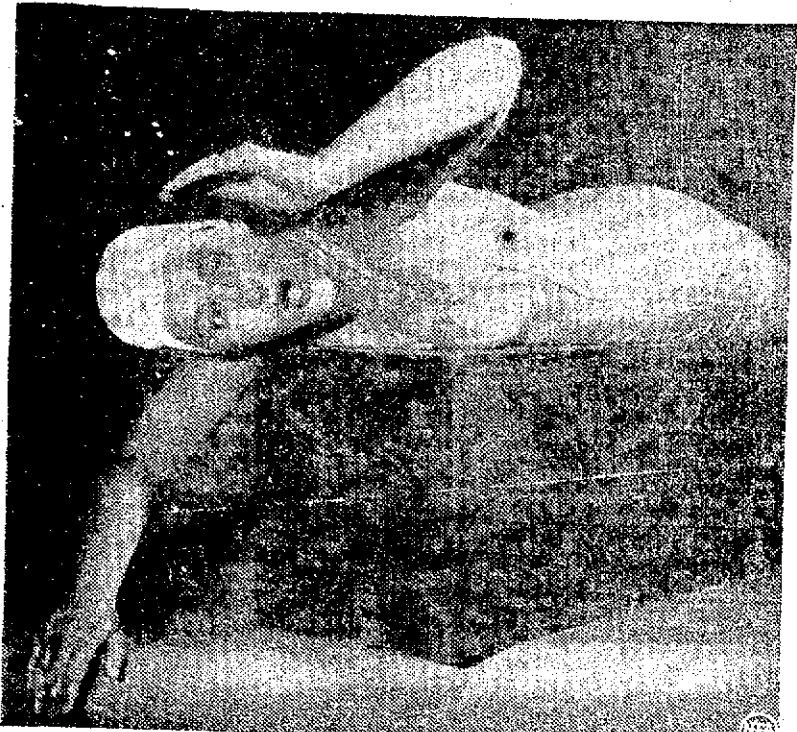

The voting, which will determine the starting lineups for the 17th annual all-star game in Chicago's Comiskey park July 11, opened on June 12 and will close at midnight July 1.

Latest tabulation gives Musial 169,966 votes, highest individual total in the poll. He is 3,454 votes ahead of Detroit's George Kell, third baseman, who has 166,512. Ted Williams, Boston Red Sox outfielder, is third with 164,852, and Jackie Robinson, Brooklyn second baseman, is next with 163,942.

Levi's Downed 4-3 By Emma Merchants

The Levi's dropped a close game to the Emma Merchants last night by the score of 4 to 3. The Central Missouri League softball game was played on the Center Park diamond.

Baker, of Emma, and Thompson, of the Levi's, both pitched a tight ball game with Baker allowing five hits and Thompson only three.

Emma scored two runs in the top half of the first inning on one hit, two errors and a fielder's choice. The Levi's came back in their part of the first to score

Chiefs Win 6-5 Over the Miners Here

Sedalia Breaks 5-5 Tie in the 8th For Victory

The Sedalia Ban Johnson Chiefs defeated the Moberly Miners at Liberty Park Wednesday night by a score of 6-5.

The Miners scored all of their runs in the seventh inning to tie Sedalia for one inning but the Chiefs came back in the eighth and scored the winning run to take this important engagement.

In the seventh Moberly lead off with a single by Murry who was relieved by a runner, Hammit, who went to second at the same time. Cafer the second man up went to first on an error by the short stop. On Bishop's single Murray went to third and Cafer went to second to load the bases. Then Short walked to score the first run. Winkler went to first in a fielders choice and Cafer was thrown out at home. Scheiner singled and scored Bishop and Short and put Winkler on second. The second baseman on a bad throw to shortstop allowed Winkler to score from second. Stewart the next man up flied out to center field but Scheiner scored after the catch. Herron last man up struck out.

Sedalia got their first run in the fourth inning. Ruffin singled stole second and went to third on an infield out by Walker. He then scored on a wild pitch.

The next run for the Chiefs came in the fifth frame. Bodenheimer the lead off man walked, Barbour forced him at second and was safe at first, then Lumpe forced Barbour at second and he was safe at first after which he stole second base. Brown's singled sent Lumpe to third and Lumpe scored on a long single by Ruffin.

Chiefs Score Three
With two runs in the Chiefs took a good lead for this inning by a score of 5-0 after scoring three more only to have the Miners tie the score in the next

inning. In an attempt to regain their lead Swisher of the Levi's led off with a single in the last half of the seventh, but Baker reduced the next three men in order.

The Levi's were defeated by the Emma girls in the first game of the doubleheader. Sunday night the Levi's will play Carrollton in a game at Carrollton.

The score by innings:
Emma 200 000 2—4
Sedalia 110 100 0—3
Baker and W. Schip; N. Thompson and Simon.

Strikeouts: Brown, 8 in 7 1/2 innings; in 6 innings; Scheiner, 4
Bases on balls: Brown, 1; Inhauser, 0; Scheiner, 5.

Waters led off with a single and went to second on an infield out by Bodenheimer and was then scored by a double by Barbour who went to third on a pass ball.

Lumpe walked, Shawver then walked again and Brown singled to score Barbour and Lumpe for the three tallies.

To break the tie which the Miners had caused by a rally in the seventh the Chiefs scored one more run in the eighth and then held the Miners down to no runs to win the game.

Bodenheimer the lead off man in the last scoring frame led off with a long sharp double. Lumpe followed him to the bases in a base on an error. Shawver then walked for the fourth time in the game which filled the bases. Then with only one more hit Bodenheimer scored on an error by the short stop.

The officials for the game were Thomas and Nichols.

The Chiefs play a benefit game tonight for Larry Vilmer who was injured in a league game several weeks ago.

Fassler Signs With Cardinals

ST. LOUIS, June 22.—(P)—Walter (Wally) Fassler, hailed by the St. Louis Cardinals as the nation's outstanding major league shortstop prospect, has signed a contract with the Cardinal organization, the club announced today.

The 18-year-old infielder, a standout shortstop at St. Louis University high school for three years, was signed to a contract with the Cardinals' Rochester (N. Y.) club of the International League. He was optioned by Rochester to St. Joseph, Mo., the Cardinals' class C Western Association affiliate.

Fassler hit .470 this spring with the Junior Billikens.

Cards Zoom From Slump; Maul Giants

Snap 4-Game Losing Streak to Tie Bums For First Place

By the Associated Press
The St. Louis Cardinals zoomed out of their slump, mauling the New York Giants 14-6 at the Polo grounds last night, and once again are tied with Brooklyn for the National League lead.

Manager Eddie Dyer revamped his lineup to snap a four-game losing streak. Harry Walker, with only one hit in his last 19 times at bat, was benched.

Bill Howerton took his place in center field, and Johnny Lindell played left. Tommy Glaviano, out of action since June 5 with a sprained ankle, replaced Eddie Kazak at third.

Rice Hits in 11th Straight Game
Catcher Del Rice, hitting safely in his 11th straight game, tripled with the bases loaded and had two singles. Howerton and Marty Marion also had three hits each.

Gerald Staley relieved pitcher Max Lanier in the fifth and got credit for the victory, his sixth against five losses.

The Cards blasted five New York pitchers for 17 hits, and gratefully accepted ten bases on balls.

At St. Louis the Browns couldn't get their runners all the way around and dropped a 4-2 decision to the Philadelphia Athletics. The Browns had 11 hits, but left 13 men stranded.

Bob Hooper was credited with his third straight victory over the Browns, but needed help from Lou Brissie in the eighth. Al Widmar, the first of three Browns pitchers, was the loser. Ray Coleman paced the Browns with three hits.

By Hugh Fullerton, Jr.
NEW YORK, June 22—(AP)—You can find a lot of different angles in the proposed shotgun wedding between the International Boxing club—sometimes known as "one big happy monopoly"—and the unnamed outfit known as the wrestling "trust." . . . Some see it as merely a threat to Charley Johnson, local wrestling promoter and head of the Recalcitrant Managers Guild. . . . Others find great significance in Jim Norris' statement: "We are in business to show a profit, and wrestling is profitable." . . . It also could show how far boxing has gone down or how far wrestling has come up. . . . Another angle is that boxing is just about dead and this move could kill wrestling, too.

Officer, Do Your Duty
Mushky Jackson's reaction to the plan to put boxing and wrestling on even terms in the Garden was: "Now if dey could only bring de girl rasslers into New York, dat would be a sensation." . . . But, if the mat monsters invade the big arenas regularly, won't the commissions which nominally govern their activities have to bear down a bit and treat them just like the glove Goliaths? . . . Hitherto the authorities have looked upon the wrestlers' antics with paternal amusement. . . . As big-time, big-arena performers, they might be ordered to cut out the nonsense and wrestle, just as fighters are ordered to fight. . . . And it was proved long ago that nothing is duller than a "straight" wrestling match. Even the television fans couldn't stand much of that.

Quote, Unquote
A St. Louis baseball writer: "I saw a real doubleheader the other day—the Cardinals in Brooklyn in the afternoon and Death of a Salesman at night."

Sportsmentation
Loris Baker, Oregon State golf coach who'll lead a strong team to the NCAA tournament, is a former triple-A baseball player with San Francisco, Los Angeles and Jersey City. . . . Dutch Dotterer, the Reds scout, had quite a problem with his son, John, a swell college catcher at Syracuse, wanted to turn pro at the end of his sophomore year. Pop wanted the kid to get his education, but he was afraid some other scout would nab him. So young Dutch signed with the Reds. . . . Veteran Jimmy Bronson is nursing along a stable of four lighters. . . . Saddest guy around Rice Institute when Tobin Rote used up his football eligibility and signed with the Packers was track coach Emmett Brunson. Rote, who'll be back on campus next spring, was eligible for another year as a javelin thrower who consistently beat 200 feet.

Typographical
The Texas player who has given opposing pitchers the most trouble during the NCAA baseball playoffs is Guss Hrcncr, who has been on base 13 times in 17 trips at Omaha. . . . He has hit five doubles and driven in seven runs. . . . Hrcncr didn't play often enough during the regular season to win a letter, but he'll undoubtedly get one for his playoff feats. . . . And, gosh, a "T" is about the only letter that wouldn't make Hrcncr easier to spell.

New Commissioner Is Named From Marshall

WICHITA, Kas., June 22—(AP)—The National Baseball Congress today announced that Bob Nightwine of Marshall, Mo., had been named a district commissioner to supervise a sanctioned tournament at that city early next month.

The N.B.C. also announced the franchising of the Heart of America League, comprising six teams in the greater Kansas City area, in its 1950 national association.

Leaders of affiliated leagues of July 1 standing and district champions will be assured certification in the 15th Missouri state tournament at Sedalia starting July 12.

Discuss Plays In Clinic For Grid Crashes

COLLEGE PARK, Md., June 22—(AP)—It wasn't too long ago that football coaches guarded their secrets as closely as the atom bomb. Now they pratically play give-away.

There was Don Faurot, coach of Missouri, diagramming all his plays and going into details and tricks of the split-T offensive system he invented.

Where?
At the University of Maryland clinic for high school coaches. Jim Tatum, the Maryland coach who learned the split-T from Faurot in the Navy, was right there listening, too.

You might imagine Faurot would be mighty careful about what he showed since Missouri and Maryland play each other next year. And Tatum has demonstrated he already has learned a lot from the split-T master. Tatum's Oklahoma and Maryland teams both beat Missouri in the only two meetings between the coaches.

But no, Faurot was opening the book.

Get Free Insight
"I put this play in a spring practice, Jim," he said, addressing himself directly to Tatum: "It looked pretty good but we haven't used it in a game yet."

Later: "In fact I learned this play from him," he told 175 scholastic coaches. "I saw some plays here this morning during Jim's lecture that I didn't even know he had."

What gives on this free insight? "Coaches have just learned they might just as well be frank with each other," explained Faurot.

"You might say they've even got some sense."

"After all there only so many basic plays and it doesn't do you any good to only know them."

"What counts is knowing which play is coming up next. And just knowing the plays a team uses won't help you."

In fact, Faurot, who has written a book on the split-T he invented in 1941, practices what he preaches about plays. He uses only 14 or 15.

"I don't want the players to get too many plays and not know how to run any of them. I'd rather they know a few they can use," he explained.

The two coaches will continue to trade knowledge and secrets. Tatum is flying out to Columbia, Mo., to lecture at a similar clinic Faurot is putting on later this week at Missouri.

They evidently believe familiarity breeds respect.

Plea Made to Support The St. L. Browns

Revive Talk the Browns May Move To Another City

ST. LOUIS, June 22—(AP)—A renewed plea for better support of the St. Louis Browns by fans here revived talk the club may eventually be moved to another city.

Bill DeWitt, president of the club, said as much himself. But he insisted no deal is on the fire at this time and "we're not getting ready to sell or anything like that."

Don't Want to Move
"We don't want to move out of St. Louis," DeWitt told the St. Louis Advertising club. "But we may have to some day unless we gate."

Later DeWitt described that as the same story he has been telling for a year.

He disclosed that "reliable people" from six different cities have inquired during the past several months about the possibility of buying the Browns.

He would not identify the persons or groups, but said the feelers came from Baltimore, Milwaukee, Los Angeles, Kansas City, Houston and Dallas.

Work Quietly for Transfer
In Baltimore, Mayor Thomas D'Alessandro said he had been working quietly for months in an effort to transfer the Browns franchise there.

R. W. Burnett, owner of the Dallas Eagles, told newsmen in that city that he would be a bidder if the Browns are placed on the market. "I wouldn't exactly say that I have made an offer for the Browns but Bill DeWitt knows that I am interested, since I have made that fact known before," Burnett said.

Of the speech DeWitt made yesterday, he said:

"I mentioned that we are disappointed at the small attendance at Brownie games. I mentioned that American league club owners were not happy with the small checks they took out of St. Louis and that the league might force us to sell the franchise out of St. Louis."

The Browns have drawn an average of only 4,361 paying fans on 27 playing days at Sportsman's park this season, including seven double-headers.

Rhumba Team Has Plenty of Stuff on Ball

Cleveland Defeats The New York Yankees 5-1

By Jack Hand
(Associated Press Sports Writer)
Bucky Harris' new Washington rhumba team—Consuegra and Marrero—have mucho stuff on the old apple. Just ask Detroit.

The Tigers saw Sandalio Consuegra yesterday and comrad Marrero Tuesday. They haven't seen the ball yet.

Who are Consuegra and Marrero? The Red book says they both pitched for Havana in the Florida International (class B) last year. Consuegra had a 8-5 record in 11 games. He's a slim Cuban, just under 6 feet but only 150 pounds. Marrero, a chunky fellow, had a 25-8 record for a 1.52 earned run average. Three years in a row he was the top winner in the league.

Marrero, like his countryman a righthander, now is a regular starter with a 4-2 record. Half his wins are over Detroit's first-place Tigers, a three-hitter and a four-hitter.

Cleveland Moves Up
Cleveland, moving up fast in the race, saved Detroit's hide by whipping the second place New York Yankees, 5-1. No Cubans there. Early Wynn, an old Alabama boy, took charge of the Yanks with a four-hitter. Only Bobby Brown's homer in the ninth robbed him of a shutout.

Billy Pierce followed up his recent one-hitter against New York with a 3-1 victory for Chicago over the Boston Red Sox. Pierce yielded seven hits but he struck out eight, getting Ted Williams twice.

Lou Brissie came to the rescue of Bob Hooper to save the Philadelphia A's 4-2 margin over St. Louis. Although Brissie started Sunday and pitched nine innings Tuesday night he worked 1 1/2 hitless innings. Veteran Wally Moses drove in two of the runs off Al Widmar.

Once again the National is all snarled up with St. Louis and Brooklyn tied for the lead. Cincinnati rallied with three in the ninth to nip Brooklyn, 6-5, while St. Louis pulled up even with the Dodgers on a rousing 14-6 romp over New York.

Manager Bert Shotton lifted starter Don Newcombe when he walked the leadoff man in the ninth although Brooklyn led, 5-3, relief pitching failed to stop Cincy with Harry Lowrey delivering a decisive bases loaded double.

St. Louis ran up the biggest score against the Giants this season to regain a piece of first place.

Fine relief pitching by Bill Werle and timely hitting in the sixth inning gave Pittsburgh a 5-3 win over Philadelphia, costing the Phils a chance to close in on the lead. Triples by Gus Bell and Ralph Kner were the big guns in the three-run sixth.

Werle relieved winner Bill McDonald in the seventh to stamp out a threat.

Vern Bickford's five-hit pitching was wasted as Chicago blanked Boston, 3-0, behind Johnny Schmitz. Bill Serena's two-run homer in the fifth broke a 0-0 tie.

Old Timers be Back in Action

NEW YORK, June 22—(AP)—The New York Giants today announced an "old timers reunion and celebration" of the 1933-37 Giants and the St. Louis "Gas House Gang" Sunday, July 30.

A three-inning game in which Carl Hubbell will oppose Dizzy Dean will precede a regularly scheduled Cardinal-Giant game at the Polo grounds.

Old Giants who have accepted invitations are Hubbell, Mel Ott, Hal Schumacher, Fred Fitzsimmons. Harry Danning, Gus Mancuso, Sam Leslie, Hughie Critz, Blondie Ryan, Travis Jackson, Freddy Lindstrom, Johnny Vergez, Hank Leiber, George Davis and Jo Jo Moore.

Among the old Cardinals will be Dean, Tex Carleton, Jess Haines, Bill Hallahan, Paul Derringer, Virgil Davis, Bob O'Farrell, Ernie Osrath, Stu Martin, Leo Durocher, Charley Gelbert, Pepper Martin, Jimmy Brown, Joe Medwick, Terry Moore, Jack Rothrock and Don Gutteridge.

voting race for the starting National league catching post against the American league's best in the 17th All Star game in Comiskey Park, July 1.

Heavy returns from the fans boosted Cooper's total to 112,855. Campanella is runnerup with 111,724. In third spot in Andy Seminick of the Philadelphia Phillies with 82,962.

Stan Musial, St. Louis Cardinals' first baseman, still led the individual vote-getters today with 144,973 ballots. Ted Williams of the Boston Red Sox is second with 141,573.

The balloting of the fans, which opened on June 12, will close at midnight July 1.

Oral Victory For 70-Group Air Force

Houses Expect To Approve Agreement; Now Have 48-Groups

WASHINGTON, June 22—(AP)—Backers of a 70-group Air Force won a victory at least in words Wednesday through a Senate-House conference agreement to authorize that top strength for the aerial arm.

Both houses are expected to approve the agreement. The actual size of the Air Force, however, will depend on how much money Congress puts up for planes, equipment and men.

Wanted An Increase
Air-minded House members for several years have been trying to get direct and permanent authority for 70 groups.

They wrote it into a House bill setting maximum strengths for the Army and Air Force, the National Guard and Reserves. The House provision was that the Air Force "shall have an authorized strength of 70 United States Air Force groups, 22 separate United States Air Force squadrons and 61 Air Force reserve groups, together with the necessary supporting and auxiliary United States Air Force and reserve units."

The Senate, on the other hand, took a different approach, aiming at a top limit of 24,000 serviceable planes or 225,000 aircraft tons. Senators argued that new development in aircraft and strategy might make such changes in the desirable size of air units that "70 groups" would not mean anything specific. The "group" is already a highly variable unit, its number of planes and men depending on such factors as whether it is a bomber or fighter outfit, and the job assigned to it.

"Not To Exceed 70-Groups"
The House conferees, however, won their basic point with agreement setting the Air Force ceiling at "not to exceed 70 groups plus such separate squadrons, reserve groups, supporting auxiliary and reserve units as may be needed."

The compromise allows procurement of planes and equipment for that force, with the secretary of the Air Force authorized to determine the buying total. That provision is a substitute for House language allowing purchase of 5,200 planes or 42,500 air frame tons a year.

Air Force strength now is about 46 first line groups, limited by appropriations and orders from President Truman and Secretary of Defense Johnson.

Two Cars Involved In Slight Collision

Two cars, a 1936 Chevrolet coach driven by Olive Thatch of Hamilton, Mo., and a 1931 Chevrolet coupe driven by Dennis Woods, 1204 South Monticau avenue, were involved in a collision about 10:50 p. m. Wednesday at the Carr-Vall Drive in, at Ninth street and Limit avenue.

A settlement was made at the scene and neither party was arrested. Both cars were slightly damaged.

INTO SPY PROBE—Patrick J. Hurley, former U. S. Ambassador to China, will be called before the Senate committee investigating the Amerasia case to back up his formal charge that John S. Service and "several associates" in and out of the State Department Foreign Service supplied Mao Tse-Tung and other Chinese Communist leaders with secret documents and advised them "on ways and means for defeating the American policy."

Indiana Judge To Jail For 60 Days

INDIANAPOLIS, June 22—(AP)—The Indiana supreme court on Wednesday sent Judge Norval K. Harris of Sullivan county circuit court to the penal farm for 60 days.

The court did not conceal its irritation with the judge. It refused to give him time to settle his affairs before being taken to the farm at Putnamville this afternoon.

Today's sentence was the climax of a series of legal fights carried on by the judge, who was co-chairman with Singer Paul Robeson of the committee for the defense of the 11 Communists convicted in New York.

The judge has been rowing with his county prosecutor, John K. Purcell, is under a charge in his own court of issuing a fraudulent check to a woman whose funds were held by the court, and is out on \$100 bond on a drunkenness charge in Indianapolis municipal court.

He has failed twice to appear for a hearing on the drunkenness count.

The court action will have no effect on Harris' holding his bench, which he took over Jan. 1, 1949, for a six-year term. Sullivan is in southwestern Indiana.

A special judge will be named to preside while he is at the farm.

This is Harris' second sentence to a prison. He served seven months in the federal reformatory at Chillicothe, Ohio, in 1933 after pleading guilty to forging his name to a veterans bonus certificate. The late President Roosevelt later pardoned Harris.

Tom Hennings Manager Answers Mayor Darst
KANSAS CITY, June 22—(AP)—Mayor Joseph M. Darst of St. Louis was accused of "living in a dream world" last night by the campaign manager for Thomas C. Hennings, Jr.

J. Howard Hannah, manager in

Hennings' bid for the Democratic nomination for U. S. Senate, issued this statement as a rebuttal to a Darst charge yesterday:

"Mayor Darst is living in a dream world when he says that Tom Hennings endangers the party's chances in November. A Pendergast candidate will never again carry Missouri, but will drag the whole ticket down to

defeat. The rank and file of our Democrats know this even if Joe Darst doesn't."

In his statement, Darst said Hennings helped the Republican cause by attacking President Truman for supporting a rival senatorial candidate, Emory W. Allen.

Raising children wouldn't be so expensive if they'd just make a pair of shoes last as long as they do the castor oil bottle.

If the eaves were dropped on all the world's eavesdroppers, who'd have a roof over his head?

Mankind would be better off if science would leave the atom alone and find a way to cross-breed happiness and the seven-year itch.

Isn't it about time to put the international crisis on a five-day week? People are beginning to worry about it on their days off.

They say money talks and maybe that explains why a dollar bill just whispers nowadays.

Wool jersey, velvet and corduroy share in the centennial honors this month as fall styles are unveiled. There's a well-tailored look in everything from play clothes to party dresses, and expensive-looking accents and trimmings play a second fiddle.

The feminine cape influence is noted in both coats and suits, typified by a detachable shoulder-cape suit from Kay-Saks of California. Another cape-like coat by Lilli Ann has yards of broadcloth with deeply-set dolman sleeves that taper at the wrists, topped by a youthful reversible collar.

Tricks Clean Up White

Pique costume accents (upper left) must be kept snowy white to add that crisp look to dark summer clothes. Laundry tricks make this easy. X marks the spot where the model (lower left) will sew snaps on collar to speed removal from dress. She stretches collar while damp (upper right) to cut down ironing time. Lower right, stubborn dirt in a washable hat gets the brush-off.

BY ALICIA HART
NEA Staff Writer

Sharp white touches that put the crisp edge on summer's black fashions can take a lot of time in upkeep unless you bone up on cleaning shortcuts.

It's easier, for example, to snap clean collars and cuffs on a basic black linen or pique dress than it is to sew them on after each washing.

Wash new collars and cuffs before you sew on snaps to allow for initial shrinkage. To line up snaps on a collar with their mates on the

dress neckline, baste collar in place. With a pencil or chalk, make an X on the inside of the collar and a corresponding X on the dress neckband. Rip out basting thread and sew one-half of the snap over the X on the collar, the other half over the X on the dress. You'll speed up washbasin laundry if you sew white accessories before they are really soiled. Squeezing out fabric in rich suits is all that is usually required to float out soil. On washable pique hats or on the back of a collar, however, you may need to scrub

Mrs. Herbert Hausen

The MFA Employees' Association of Lincoln and Iowa held a meeting at the Produce Department in Lincoln Tuesday evening June 13 with 25 members and one guest present. A business meeting was held with the president Fred Mueller, of Iowa, presiding. It was decided that the monthly meetings of the Association would be discontinued until October. Mr. Wolf of Sedalia was present to show two movies. A supper was served by the refreshment committee, made up of Ernest Swearingin, Mrs. Dorothy Lemons and Mrs. Ethel Yancey.

The well that is being drilled by the Layne-Western Company, of Kansas City, for the water system here has now reached a depth of about 500 feet and an 80 water tower be soon under construction. It is believed that the system will be in operation by early fall.

Mrs. Ella Eckhoff was hostess at an all day meeting of the LHM Club which met at her home Tuesday, June 13. During the morning the regular business meeting was held with the president, Mrs. Norman Geiken presiding. At this time plans were discussed for a picnic to be held at the park in Cole Camp on the first Sunday in July. Members and their families are invited. A contributive covered dish luncheon was served at noon. During the afternoon the hostess, Mrs. Eckhoff, and Mrs. Norman Geiken gave a lesson, accompanied by a demonstration, on "Refinishing Furniture." There were ten members present, all of whom answered roll call by naming a gadget I wish someone would invent. Visitors present were Mrs. Wilbur Repper, Mrs. Alfred Eckhoff, Mrs. Boltz, Mrs. Walter Peters, of Iowa, and several children. Mrs. Clarence Frisch will be hostess at the next meeting, which will be held at her home on July 11.

Clifton City

Mrs. Blanche MaNess, who has been a guest of her sister, Mrs. J. G. Harlan and Mr. Harlan here for the past two weeks, left Friday for her home in Kansas City.

Mr. and Mrs. Joe Reuter were called to Kansas City Saturday due to the illness of their daughter Miss Lucille Reuter, who was a patient at a hospital there. They were accompanied by their son C. J. Reuter and Mrs. Reuter.

Marva Bridges, daughter of Mr. and Mrs. Oliver Bridges, was a week-end guest of her uncle and aunt Mr. and Mrs. Eddie Schibi and family at Houstonia.

Mrs. John Streit was hostess to the Clifton City Homemakers club at her home in an all day session last Wednesday with nine members present and one visitor Mrs. Bernarr Bluhm of Smithton. Each member contributed to the dinner which was served at the noon hour.

After dinner the president Mrs. J. J. Potter called the meeting to order and presided over the business meeting. Roll call was answered by "naming a food I disliked when a child and by eating it frequently have learned to like it." Members voted to have their annual picnic supper for members and their families at the school house in the evening of July 5th. Supper will be served at 7:00 o'clock. A special meeting was also planned and will be held at the schoolhouse July 12th.

The principal features of the program were talks, discussions and demonstrations on cooked foods and Mrs. Oscar Dove and Mrs. E. J. Hallahan were in charge. The meeting adjourned by repeating the club collect in unison.

Mr. and Mrs. Earl Shugart and daughter Judy of Kansas City visited over the week-end with Mrs. Shugart's parents Mr. and Mrs. Frank Gramlich.

Mrs. William Todd, who has been with her daughter Mrs. Leslie Bullard at Fulton assisting in caring for her and her son, Leslie Jr., who was born June 28th returned home Saturday accompanied by Mrs. Bullard and son, who will remain here while Mrs. Bullard is recuperating.

R. L. Potter, student at CMSC in Warrensburg and his wife, who is there with him, spent the week-end here at their farm west of town.

Norman Eckerle, who taught at Owensville the past school year and who returned there after the school months and taught a class of Catholic children in a vacation school is now a student at CMSC in Warrensburg. He visited over the week-end with his parents Mr. and Mrs. Frank Eckerle.

Mrs. Mary Fairfax is a guest in the Allee Thomas home at Syracuse this week.

Mr. and Mrs. O. P. Wells of Kansas City visited here with Mrs. Wells' parents Mr. and Mrs. Fred Marti Sunday. Sunday afternoon guests were Mr. and Mrs. T. N. Nichols of Sedalia.

Mr. and Mrs. John Streit were

Roll call was answered by giving a verse from the Bible. A pledge of \$3.00 was donated to be used on the building of a new Methodist orphanage in St. Louis. The meeting adjourned by singing "Blest Be the Tie," followed by the Lord's Prayer in unison. The next meeting will be with Mrs. Essie Holmes. Refreshments were served by Mrs. Streit, assisted by her daughter, Mrs. Bernarr Bluhm, of Smithton.

Mrs. Elliott Strine of Ottawa, Kas., visited here the past week with Mr. Strine's sister, Mrs. D. W. Long and Mr. Long.

Mr. and Mrs. Frank Imhoff of Blackwater, accompanied Mrs. Imhoff's parents, Mr. and Mrs. Joe Reuter of Clifton City, Sunday to be with a sister and daughter, Miss Lucille Reuter, who has been seriously ill, but was dismissed from the hospital the latter part of last week. She is improving satisfactorily. Mr. and Mrs. Imhoff and Mr. Reuter returned home Sunday afternoon.

Mrs. Bernarr Bluhm and son, Jackie, of Smithton, were guests here Wednesday and Thursday, of Mrs. Bluhm's parents, Mr. and Mrs. John Streit. Mrs. Bluhm and son were accompanied home by Mrs. Streit and they were visitors in Kansas City Friday.

Mr. and Mrs. Oliver Bridges and family were supper guests of Mr. and Mrs. William J. Lanum near Sedalia Friday evening.

Vincent Aglier who attended St. Joseph's college at Kirkwood, came home Tuesday to spend the summer vacation here with his parents, Mr. and Mrs. Hubert Aglier. Miss Betty Gardner returned home Saturday after spending a two-week visit in Sedalia with Miss Lou Hiltburg.

Mr. and Mrs. Emil Pabst had as their guests, their son, Donald Pabst and wife of Booneville and Mr. and Mrs. Emil Pabst's daughter, Mrs. Virgil Kempf and Mr. Kempf of Kansas City.

Dick Harlan of California, who is on vacation, visited the first of last week with a sister, Mrs. Clarence McMillen, and Mr. McMillen at New Franklin and came to Clifton City the latter part of the week and visited Mr. Harlan's parents, Mr. and Mrs. J. G. Harlan. Jack Potter of Sedalia, who en-

joyed his vacation last week with his wife and son, Jack, Jr., spent the first part of the week at Indianapolis, Ind. Enroute home they stopped at Columbia and visited an uncle and aunt, Mr. and Mrs. J. E. Potter, Sr., and their sons, J. E. Potter, Jr., and family and

Mrs. John Streit was hostess to members of the Women's Society of Christian Service of the Clifton City Methodist church at her home, June 15. The program which was to be given by members of the Ottaville Society, who were unable to attend, was in charge of the president, Mrs. J. J. Potter, who used as her subject, "Journeys On." The meeting was opened by the group singing "Jesus Calls Us". Mrs. Potter was assisted on the program by Mrs. F. S. Needy, Mrs. C. J. Reuter, Mrs. Add Johnson, Mrs. John Streit and a visiting member, Mrs. Bernarr Bluhm. Each gave a talk on reading of the need of missionary work in foreign countries, India, China, Africa, Latin America and also of work in the homeland.

Members also assisted in the devotional "Faith and Eternity." The scripture reading was taken from the "Book of Psalms." Following the program, the president presided over a short business meeting.

For Your Vacation: Budget Fashions

Budget prices of these New York-designed dresses give a vacationer a lot of fashion for a little money. White pique and red patent leather belt and buttons sharpen the dotted Swiss dress (left). Redingote of multi-color voile combines with red spun linen sun dress for two-piece costume (center). Persian print voile shirtwaist dress (right) is treated for crease-resistance.

NEW YORK — (NEA) — Good

Tasso Potter and family. The latter part of the week was spent with Jack's parents, Mr. and Mrs. J. H. Potter of Clifton City.

news for the girl who is trying to juggle a smart new dress on a vacation budget are cotton sheers which offer a lot of fashion for a little money.

Smart styling banishes the budget-priced look from New York-designed dresses of printed voile,

dark dotted Swiss and other heat-defying sheers.

One dress may serve a vacationer's need for two. Typical is the fashionable mating this summer of redingote and dress. In one such combination, the redingote of multi-color voile is teamed with a sunback dress of spun linen in a bright solid color.

Together, the two units make a smart town-wear ensemble. When the redingote, banded tuxedo-style and belted with matching spun linen is removed, there's the dress ready to take the sun on its own. The dress has shoulder straps, shirred bustline and a flared skirt.

Small, neat patterns such as Persian border prints on voile treated for crease-resistance make

cool-looking and practical dresses for the traveler. In one smart style, solid borders of the print voile—printed with small mosaics on a tinted background—make a midriff of color for a shirtwaist dress with demure color, push-up sleeves and pearl-buttoned bodice.

Among the dark sheers lined up for the vacationer's choice are dresses of dark-dyed dotted Swiss. Navy blue or black Swiss dotted in red or white, for example, is usually brightened by touches of white pique. One tailored dress with a pleated skirt is frosted with white pique at collar, cap sleeves and full front closing. More sparkle is added by a red patent belt and buttons lined up from neckline to hem.

SO GOOD it washes clothes cleaner in
ONE wash than any soap will in two!

After years of experimenting, Procter & Gamble laboratories have discovered a whole of a washing product—so good that laboratory tests show it gets clothes cleaner in a single wash than any soap will in two!

SO GOOD you can get a bright, clean wash

CHEER gives you the cleanest possible wash any "no rinse" suds can offer! Just wash, wring out and hang up to dry! But if you rinse, CHEER's your best bet for a cleaner wash than you'll get with any soap—any other type of washing product.

So good you get a dazzling-white wash with NO BLEACHING! NO BLUING!

Without bleaching, without bluing—CHEER washes white things clean as fresh snow, colored things bright as new paint. Yet CHEER is kind to hands, safe for washable colors.

So good you get a film-free wash even in HARDEST WATER!

CHEER suds come up thick and fast in water so hard the best soaps known play out. Leaves no sticky scum—but removes the cloudy film left on clothes by soap. NO WATER SOFTENER NEEDED!

So good you get a whistle-clean wash even WHEN HOT WATER RUNS LOW!

The hotter the water, the better the wash. But when the hot water runs low, CHEER suds stand up and go on fighting dirt. Whatever the temperature, CHEER will give you a cleaner wash than any soap, at the same temperature!

Players Elect Officers

The Pettis county dramatics club better known as the Pettis Players held the second annual election officers at the Chamber of Commerce office Wednesday evening with the present president, Michael Bogutski, presiding.

The new officers who will take office September 1 are: President Scott Webber; Vice President, W. E. Bruce; Secretary, Bettye Ellsworth and Treasurer, C. E. Alden.

The new board of directors which was chosen consists of: For three year terms, Maurice Hogan and Michael Bogutski; for two year terms, Otis Wiley and Frank F. Evans and for a one year term, Mrs. John Metcalf and Lawrence Riley.

The players have decided to adopt a season of plays with four three act dramas to be presented during this winter season. Already a play selection committee headed by Michael Bogutski has been called for Friday night when they will select the play to be given in the coming season.

It was also announced at this meeting that a meeting of all old officers and all old board members along with the new ones will be held Wednesday night at Scott Webber's office at the social security building for the purpose of reorganization.

The next meeting of the players will be held July 12.

Funeral Services For H. F. Grinstead Today

EDWARDSVILLE, Ill., June 22—(AP)—Funeral services for Hugh Fox Grinstead, one of the first residents of the Missouri Writers' Guild, were held here today.

Grinstead, a former resident of Columbia, Mo., and onetime postmaster at Marionville, Mo., died Monday of infirmities. He was 80.

He is survived by his widow; a son, William T. Grinstead; and three daughters—Mrs. R. E. Waters of Starkville, Miss., Miss Frances Grinstead of Lawrence,

Urges Restoring of Federal Relief Aid

JEFFERSON CITY, June 22—(AP)—State Welfare Director Proctor N. Carter pleaded with Missouri's congressional delegation Wednesday to restore a plan for federal aid to states in paying direct relief.

Carter said he wired Missouri's 13 representatives and two senators asking that they try to put the provision back in a House passed resolution.

As the bill went through the House, it provided that federal aid would be granted for relief of unemployables. The federal money would have been contributed on the same basis that the government now contributes to old age assistance in Missouri—64 per cent from federal funds, 36 per cent from the states.

But the Senate knocked out federal participation in direct relief payments yesterday on a close 42 to 41 vote.

The bill goes to a conference of members of both Houses and the provision can be put back in by the conference, Carter said. He told the lawmakers that Missouri's unemployables now are getting only 55 per cent of their minimum needs from the state. Federal aid would permit payment of full financial assistance, he said.

Ginn Can't Defend Babysitter Rapist

COLUMBIA, Mo., June 22—(AP)—Circuit Judge W. M. Dinwiddie has ruled that M. Stanley Ginn cannot defend a Negro charged with rape because Ginn is a deputy sheriff.

Ginn said he sought the deputy commission only to keep alive law enforcement associations made when he was superintendent of the state highway patrol.

Judge Dinwiddie removed Ginn as counsel for the Negro, Jake Bradford, Jr., scheduled to go to trial next Monday, and reset the case for Oct. 11. The judge named Ralph Alexander and William H. Becker to defend Bradford.

The judge said he did not question Ginn's integrity, pointing out that he, himself, had forgotten that Ginn was a deputy. But, Judge Dinwiddie added, Ginn's position had become inconsistent.

Bradford is accused of rape of a babysitter last Oct. 29.

greater Pittsburgh airport would not say what trouble developed in Sherrell's plane.

Reports indicated that Sherrell first intended to bail out, then changed his mind and rode the craft in for a crash landing. The plane came down in a field near route 30 at Imperial.

Woman's Body Found In Diversion Channel

CAPE GIRARDEAU, Mo., June 22—(AP)—The body of a middle-aged white woman was found on Wednesday in a diversion channel near Allenville.

The body was unclothed, and officers were unable to establish the woman's identity, Coroner E. R. Tricky of Cape Girardeau said. A formal inquest would await identification.

Tricky said an examination of the body disclosed bruises about the head and a broken shoulder. He was unable to determine whether death was due to the injuries or drowning.

The woman was described as about 5 feet, six inches tall and weighing about 115 pounds.

The body was found by two boys who saw it caught in a clump of weeds near a bridge.

Clarence Weathers Is Severely Injured At Work

Clarence Weathers, route 1, Beaman, was painfully injured when he slipped and fell while working at his job at a produce house in Sedalia Wednesday evening and was taken to Bothwell hospital where he was treated by Dr. O'Neill.

The extent of his injuries has not been fully discovered, but were listed as severe injuries to the back.

Virgil Helms was elected president of the Lions club at the supper meeting held Tuesday at the Rose cafe, the retiring president of the club, Albert Wolf, presided. Other officers named are Frank J. Quigley, first vice president; D. W. Fenton, second vice president; Claud Howard, third vice president; Maynard White, treasurer; J. A. Conn, secretary; E. A. Norman, lion tamer; Ernest Proctor, tailwister; Harry Kolker and Dr. H. P. Stonner, two-year directors; A. F. Martin and Albert Wolf, one-year directors.

Installation ceremonies for the newly-elected officials will take place on the Lake of the Ozarks at Gravois Beach at a family night supper gathering on Tuesday, June 27th.

Members of the nominating committee were past presidents of the Lions club, A. F. Martin, Dr. H. C. Hume, Fred Schmidt and Dr. H. P. Stonner.

Pat James Schmidt, son of Mr. and Mrs. Fred W. Schmidt, was among the 1,850 candidates who received degrees at the 108th annual commencement exercises at the University of Missouri in Columbia, last Friday, as President Harry S. Truman delivered the commencement address and received an honorary degree. Dr. Frederick A. Middlebush, president of the university, conferred the degrees.

Pat received his A. M. Degree, having majored in statistics in Business and Public Administration.

His mother and sister, Miss Marilyn Schmidt and Mrs. Betty Miller attended the exercises, and also present from Tipton were Miss Betty Needy and Miss Betty Proctor.

Others from Moniteau county receiving degrees were Theodore Edward Albertin, Jack Proctor Crawford, Lionel Milton Gallagher, John William English, John Carter Kibbe, Walter William Less, Jr., California; Chester Lee Marshall and William Lawrence Wyss, Jamestown.

A new home for Mr. and Mrs. Frank Fuel is being erected in the west part of town on a lot they purchased from Mr. and Mrs. Stanley Ferguson. The home, to be of Haydite blocks, succeeded, will consist of five rooms, a utility room and garage, all on one floor. The contractor in charge is Lonnie Bell.

Mr. and Mrs. Dan Bixler entertained as their house guests the first of the week, Mrs. Quigley Driver and Mr. and Mrs. Hugh McVickers, of Oakland, Calif., and Mrs. Hal Cooper, of Kansas City.

Mrs. Estelle Tanner, of Jefferson City, GOP National Committee member from Missouri, rings an old fashioned school bell as she calls to order the first Republican School of Politics, held at Springfield, Mo. Standing: Scott Traylor, Springfield, member of the young Republicans; Fred Steuck, Jefferson City; and F. Trowbridge von Bauer, Washington, D. C. (Associated Press Photo)

They arrived Monday leaving for St. Louis the following day to meet Mr. Driver, who has been attending a Moving and Storage Association convention, he being a member of the board of directors of that organization. The visitors returned to Tipton Wednesday.

Mrs. Driver is a cousin of Mrs. Bixler.

Mr. and Mrs. W. R. Albin have as their guest for the summer, their grandson, Anthony Della Groce, Jr., of McAllen, Tex. His parents, Mr. and Mrs. A. S. Della Groce will join him here in a visit the last two weeks in July.

Mr. and Mrs. Clyde Heynen and Mrs. C. W. Nelly, of Sedalia, and Mr. and Mrs. J. B. Kennedy, of Carrollton, Tex., were in Tipton Wednesday afternoon.

Mr. Heynen is a Sedalia monument dealer, and Mr. Kennedy, his brother-in-law, handles Angus cattle on his Texas ranch.

Here for a visit with relatives and friends the first of the week were Mr. and Mrs. Ed Sommerhauser and Leo Sommerhauser, all of St. Louis. Ed and Leo are Tipton-born. They are brothers of Mrs. Oscar Faherty and Mrs. Pauline Ketterlin.

Miss Georgia Koechner, daughter of Mr. and Mrs. August Koechner was a member of the graduation-Kansas medical center and she attended class of the University of Medicine and Surgery in St. Louis. She will take the examinations from the state board in September for Registered Nurse. There were

2,438 graduates representing 42 states and eight foreign countries. It was the first graduating class to move through the new columns built in commemoration of World War II.

Mr. H. C. Hume, accompanied by her son, Richard Hume, of the Medical Center at Kansas City, Kas., attended the commencement exercises.

Miss Koechner formerly was office assistant to Dr. Hume.

Mrs. Preston Hays returned home Friday from a stay of two weeks with her son-in-law and daughter, Dr. and Mrs. Fred Frerking and son, Billy Preston. The family has moved to a new ranch-type brick home they recently built in a new addition known as the St. Louis Hills Estate, Mrs. Hays assisting in the moving along with visiting.

At the late he travels it didn't take Ensign Ray Schmidt long to get here last week from Atlantic City, N. J. He was due in Friday night, but he coming on his plane caused him to stop at Scott Field, Ill., and he arrived the next day.

at the air base at Olathe, Kas., where he was met by his brother, Connie, and Miss Ruth Lachner. Ray's friends were expecting him and they were out with a wave of the hand as he flew over town. He is a son of Mr. and Mrs. Fred W. Schmidt. It is probable that he will get to make frequent visits home.

Thursday, Mr. and Mrs. Theodore Lock, of Tipton, and their son, T. P. Lock, of Jefferson City, attended the first solemn high mass as given by the Rev. Bernard H. Boessen in the St. Thomas church, which was filled to capacity by relatives and parishioners.

The Rev. Boessen, who was ordained a priest Tuesday at Kenrick seminary, is a cousin of Mrs. Theodore Lock.

Miss Rosalie Bishop, daughter of Mr. and Mrs. J. E. Bishop, entered St. Joseph's hospital at Boonville, Sunday. She is running a high temperature and as soon as this subsides she will undergo an operation.

Pro-Amateur Golf Tourney Here Monday

Open to All Golfers With Awards of Cash For Various Winners

Monday will be golf day in Sedalia. Pro and amateur golfers alike, from all over the state and out-of-state, will arrive to compete for money and merchandise prizes in this, the second annual Sedalia Pro-Amateur golf tournament, which will be held at the Sedalia Country Club golf course, starting early in the morning and continuing all day, winding up with a golf clinic.

This morning, a thorough discussion on the big event, was held by eleven committees set up by the Sedalia Athletic Association, which is sponsoring the classic for the second straight year.

Sklar Reports Numerous Entries
Dick Sklar, tourney chairman, reports everything is in good standing and entries are pouring in rapidly. He related during a telephone conversation this morning to the Mid-West Professional Golfers Association in Kansas City, he was informed Tom Talbot will act as master of ceremonies during the clinic, to be held following the matches.

"Dutch" Stanberger, publicity man for the Mid-West PGA, announced that pros are very enthusiastic over the tourney to be held here, and will be out in full force this Monday.

Lloyd Phillips, president of the Sedalia Athletic Association, said this morning, the second annual tourney looks as if it will be a huge success, and the committees are getting behind the classic to help put Sedalia on the golfing map.

Golf tickets are now being sold on the street, at the Smoke House, Scott's Book Store and Pacific Cafe. A large gallery is expected to watch the matches, as well as see the golf clinic. The public is invited.

Top Flight Horses For Fair Races

Grand Circuit harness racing will be made up of twenty-two events, which will include eight early-closing races, six Grand Circuit stake races, two Western Breeders' Futurity races for three-year-olds, two late-closing classes for Missouri-owned horses and two late closing two-year-old races. The five-day racing card opens on Monday, August 21, and runs through Friday, August 25.

More than 200 of the nation's top-flight pacers and trotters will be here for the races and more than twenty states will be represented. Outstanding events will be the Trotting Club Stake Number 2, Star Pointer Pace on Tuesday, for \$4,000; the American National Stake Number 1, for two-year-old trotters on Wednesday, for \$13,000 in purses; the Trotting Club Stake Number 3, three-year-old trotters, on Thursday, for \$18,000, and the Trotting Club Stake Number 2, Goldsmith's Maid Trot, on Friday for \$4,000.

E. A. Duensing of Jefferson City veteran superintendent of speed at the State Fair, again is in charge of all races.

Sedalia's Last in Golf Tournament

With the second game of the annual Inter-City golf tournament completed Columbia has taken first place with a total of 612 points, Jefferson City second with 570, Fulton third with 516 and Sedalia in last place with 462. The second game of the tournament was played in Columbia Wednesday.

John Andrae, of Jefferson City, was medalist for the day, shooting a low 70 and gaining 39½ points for his team. Dick Gorrell was medalist for Sedalia with a 78 for a total of 28 points. Tom Cloney was high pointer for Sedalia with 30½ points to his credit.

For the day Sedalia gained a total of 220 points. The scoring was as follows:

Charles Patterson, team captain, 80-21; John Van Dyne, 84-20½; Richard Grayston, 80-26½; Gertrude Patterson, 90-17; E. M. Stafford, 85-18½; John Joe McGrath, 85-16½; Dick Gorrell, 78-28; Cecil Owen, 86-15½; Tom Cloney, 83-30½; Phil Costello, 86-26.

The next meet will be held in Sedalia at the Country Club golf course Wednesday.

Speeders Fined In Police Court

Robert Bunch, Sedalia rural route 3, was fined \$35 for speeding in police court today before Judge Jerry Trotter. Bunch was arrested by police after chasing him south on Highway 65. Police said Bunch was going 75 miles per hour at the time he was apprehended.

M. E. Cramer, of Sedalia rural route 3, was fined ten dollars in police court for speeding.

Walter J. Gillum, West Pettus street, pleaded guilty to disturbing the peace and was fined \$15. He was arrested at Main street and Lamine avenue Wednesday night.

Seven overtime parkers forfeited one dollar cash bonds when they failed to appear in police court.

'Reign of Terror' By Soviet Reds

BALTIMORE, June 22.—(AP)—The Sun said today Russia's Communist party machine has started a "reign of terror" among persons it considers disloyal.

Paul W. Ward of the Sun's Washington bureau writes that Stalin's loyalty troubles are sketched in "some of the more abstruse Soviet publications such as Soviet State and Law, but including as well such popular, though official, publications as the Moscow Evening News, which gets less attention outside the U. S. S. R. than Pravda and Izvestia."

"Articles boldly displayed in all these publications," Ward states, "indicate the Stalin regime has felt compelled to revive the intensive search for 'spies' and 'wreckers' that it instituted back in the 1930's."

"It has, in addition, had printed and circulated to rank and file Soviet citizens a pamphlet warning them all to avoid contacts with foreigners and otherwise to be on guard against 'disloyal' and 'subversive' persons within the Soviet Union."

Ward says the Moscow Evening News reports the recent dismissal of "not a few" key workers at Moscow's Stalin Auto Works and adds that some of them were "politically corrupt."

This report, the Sun story adds, "represents the Soviet press's closest approach to date to comment on rumors in Moscow that 70 or more leading workers in the automotive industry had been caught planning as part of a 'United States sabotage ring' to blow up twelve industrial plants in the Soviet capital."

Louisiana, Texas, California and Arkansas each grow about one fourth of the U. S. rice crop.

Only about 1/15 of Africa has no ties to imperial powers—Egypt, Ethiopia and Liberia.

Social Events

Mrs. Oscar DeWolf, 503 South Park avenue, entertained with a luncheon Wednesday for her daughter, Mrs. John Merry, of Greenwich, Conn. The afternoon was spent playing canasta, honors going to Mrs. Jesse Dowdy and Mrs. William Faulkner.

Friends of Mrs. Merry's present were: Mrs. Lacy Belt, Mrs. Jesse Dowdy, Mrs. William Faulkner, Mrs. Fred Handley, Mrs. Robert Seelen, Mrs. Chester Eding, and Mrs. Bryan Phifer.

A Pink and Blue shower in honor of Mrs. Jimmie Pate of route 1, Smithton, was given Thursday afternoon by Mrs. Truman Barton and Mrs. Curtis Lopp at the Lopp home.

Guests included: Mrs. Pate of Smithton, mother-in-law of the honoree, her sister, Mrs. Alice Ulmer and daughter, of Sedalia, Mrs. Lucy Dohaven and daughter, Mrs. Homer Baugh, Mrs. Charles Schneider and daughter Grace, Mrs. Orlo Richardson, Mrs. Johnnie Steele and Gary, Mrs. Willie Anderson, Miss Helen Anderson, Mrs. Dewey Osborne of Sedalia, Mrs. Cora Schannepp, Mrs. Ellen Dickerson.

Games were played with the awards going to Mrs. Schneider and Miss Grace Schneider. Refreshments of cake and punch were served by the hostess.

Building For Grain Storage

The United States grain storage building, which was erected about one mile east of Sedalia on Highway 50, will be ready for the grain by next month, according to the P. M. A. office in Sedalia.

The 40 foot by 100 foot quonset structure will hold about 30,000 bushels of grain. The grain stored in the building will be received in lieu of payment of government loans to the farmers of Pettis county. The building will handle corn primarily, but is constructed in such a way that it can easily be partitioned to store and separate wheat or any other grain. The storage building will also handle some surplus grain from nearby countries.

The land was received from Mrs. Golda Herrick, 1505 South Kentucky avenue, in a ten-year lease which included a sufficient area on which other structures can be constructed as they are needed.

The Pettis County P. M. A. committee is in charge of the storage. The Commodity Credit Corporation, a branch of the U. S. Department of Agriculture, handles all the loans to the farmers. The grain is stored in the building until it is needed or can be sold by the government.

J. W. Atkinson, 2101 East Sixteenth street, was in charge of the project. The contract for the building was given to a Columbia, Mo., firm which represents the Great Lakes Steel Corporation.

Conduct Program In Recreation

Ralph Lee, a teacher at Hubbard high school, who has the concession privileges at Hubbard Park, granted some time ago by the Sedalia park board, has been employed also by the recreation committee of the Chamber of Commerce, to carry on a recreation program at Hubbard Park, similar to that underway at Liberty Park.

J. M. Cunningham, chairman of the Chamber of Commerce committee, said Lee will be paid from a fund of \$250 appropriated Monday night by the City Council, \$100 for equipment, \$150 for Lee's personal services from now until the close of the program with the opening of school. He receives a fee of \$50 a month for operation of the concessions in the park, as well as any profits he makes on concession sales.

Employment of Lee for the second job was cleared with the park board, Cunningham said, as it is the committee's belief the jobs can be combined successfully. The recreation program, which includes twilight games, croquet and other sports is already underway.

Forty High School Bands For Fair

Prospect for attendance of high school bands at the Missouri State Fair here, August 20-27, now indicate that a maximum of forty Missouri towns will be represented, it has been announced by Guy M. Peabody, for many years superintendent of bands. The bands will alternate, certain groups of them appearing each day of the fair to parade, play individual concerts and participate in consolidated concerts.

• The Washington Merry-Go-Round
Cong. Wood Squelched
Hollywood Communist Probe
By Drew Pearson
WASHINGTON.—The chairman of the Un-American Activities committee is supposed to root out Communism wherever he finds it, regardless of friends, foes or fees.
However, it has already been shown that Congressman John S. Wood of Georgia, when chairman of the committee in 1945-46, did not investigate Communism in Hollywood even though his committee was supplied with important information on Communist film-writers, later convicted. It was the Republicans, not Wood, who brought about the convictions.
At that time—1945-46—an obscure Georgia lawyer, Edgar Dunlap, living in Congressman Wood's district, was hired by Louis B. Mayer of Metro-Goldwyn-Mayer, and quite mysteriously the Hollywood probe was postponed.
Later, when the Republicans took over the Un-American Activities committee, and Congressman Wood stepped down from the chairmanship, he still continued to be Mayer's ace-in-the-hole inside the committee.
On the night before the long-delayed Hollywood probe was about to start under the Republicans, film czar Eric Johnston and film attorney McNutt informed Bob Kenny and Bartley Crum, attorneys for the film-writers, that the man on the committee they could depend on was Congressman Wood, that he was on the train en route to Washington, and that they would meet him next morning and rush him up to the hearings.
Next day, Oct. 20, 1947, Congressman Wood arrived at the Hollywood committee room a little late, but apparently well coached. Louis B. Mayer, the film mogul who had had the foresight to hire Georgia attorney Edgar Dunlap, was on the stand. Dunlap had done his job well. For Wood immediately began to ask Mayer the friendliest type of questions, carefully calculated to help ease the criticism for having filmed "Song of Russia."
Wood to the Rescue
Here is part of the cross-examination:
"Mr. Wood: Since you have been in the production business, Mr. Mayer, approximately how many pictures have you made?"
"Mr. Mayer: About 1,200 probably."
"Mr. Wood: What criticism, if any, has there been from the public or the press or the government leveled against any of them that you have made?"
"Mr. Mayer: Well, Mr. Congressman, we have always received great approbation, until this thing started, about this picture 'Song of Russia.'"
"Mr. Wood: Well, about the time that you made 'Song of Russia'—by the way, at that time we were engaged in a war in which Russia was one of our allies, is that correct?"
"Mr. Mayer: Yes, sir."
"Mr. Wood: Perhaps that is one of the reasons that the committee wanted to hear from you, with reference to the underlying reasons that prompted the production of that particular picture. Can you give us any more enlightenment on that?"
MGM's Philosophy
Mr. Mayer proceeded to tell at some length about his philosophy in making motion pictures. Then Congressman Wood, carefully coached in advance about the matters on which Mayer wanted to testify, suddenly remembered that Mayer had a speech. He asked:
"Mr. Wood: Mr. Mayer, I believe back in May of this year you made a talk before the Newspaper Advertising Executives Association in San Francisco; is that right?"
"Mr. Mayer: Yes, sir."
"Mr. Wood: About the 7th of May, was it?"
"Mr. Wood: I find in the congressional—"
"Mr. Mayer: July 7."
"Mr. Wood: I find in the congressional record, under date of July 15 of this year, an insertion in the congressional record by Hon. Gordon L. McDonald, of the state of California, of what purports to be a copy of that address. . . I would like to quote from some portions of that speech as it appears in the congressional record and see if you still subscribe to some of the statements you made in that address:
"More precious than our lives we hold our liberty, a liberty that means free speech, free press, the right to assemble and remonstrate against real or imaginary wrongs and the right to worship in any shrine. . ."
"Mr. Mayer: Mr. Congressman, that is what makes us great. That would make any country great that only knew how to appreciate it."
"Mr. Wood: You still subscribe to that?"
"Mr. Mayer: Yes, sir."
"Mr. Wood: You say, then, that that is a correct quotation of your speech in San Francisco on the 7th of May?"
"Mr. Mayer: Seventh of July, sir."
More Coaching
It is significant that Congressman Wood was the only member of the committee who cross-examined Mr. Mayer. No other committee member asked a question. But Wood, who, as chairman, had held off the Hollywood probe, now served the chief defendant of his friend Dunlap's law client, Louis B. Mayer.
Dunlap apparently had told Wood about some newspaper editorials which commented on Mayer's speech. So the Congressman, suddenly remembering these clippings, picked up one of them and asked:
"Mr. Wood: You were quoted somewhat in

the press to address the address I quote from one of the daily papers in New York, in which you are quoted as having said that:
"The only interpretation and understanding of Communism that is worthy of belief by the American people is that it threatens the way of life upon this entire planet. It threatens our fundamental concepts of human rights and liberties."
"Is that a correct quotation of the sentiment that you then expressed?"
"Mr. Mayer: Yes, sir."
"Mr. Wood: And you still subscribe to it?"
"Mr. Mayer: Yes, sir."
Congressman Wood, of course, had a right to ask any questions he wished, no matter how friendly. But the public also has a right to know what motivated his questioning; and particularly it has a right to know why he did not proceed with the Hollywood probe when he was committee chairman—just as it also has a right to know about the \$1,000 fee collected by Wood's office from a crippled boy in return for legislation passed through Congress.
Economic Weathervane Shows
Fair Weather For Time Being
By Bruce Blossat
Another business scare seems to have vanished in air. Once more the economists are flying their brightest flags; some even profess to see fair economic weather clear through 1951.
This year, of course, there's been no serious downturn in business activity like that in 1949. The biggest storm warning was the unemployment figure, which kept mounting until February it hit better than 4,600,000.
There was talk of 5,500,000 out of work by fall, and higher totals later. The great labor federations were getting ready to demand huge public works programs to take up the slack.
Now it's all different. Unemployment has fallen to around 3,000,000. Actually, more than 2,700,000 additional workers are employed today as compared with gloomy February. But the U. S. labor force is growing swiftly, and many of those who have found jobs are new workers.
The Federal Reserve Board has just struck a cheerful note. It foresees continued heavy demand for automobiles, homes, and the durable products that go with the home—furniture, ice-boxes, stoves, and the like.
If the board is right, and it has a lot of company in this forecast, the solid base exists for maintenance of high level business activity for many months.
Does all this mean we can stop worrying about a depression? We've shrugged off so many false scares since the war ended that no one could be blamed for thinking maybe we can stay out of trouble for a long time.
And perhaps we can. Some experts point out that the foundation for much of this encouraging growth of business lies in two fundamental facts: the marked increase in population, and the still greater rise in the number of new family units.
It is this latter, especially, which helps account for the unprecedented demand for housing and household goods. New homes are being formed at an almost unbelievable pace. And the end of the upward trend is far out of sight in the future.
Yet, with all this healthy growth, we still ought to exercise reasonable caution in viewing the future. Prospects are good, yes. But we have to remember that the economic system we live by is a delicate machine with many interlocking parts. A breakdown anywhere can spread rapidly to other places.
That doesn't mean we shouldn't maintain our optimism. It simply means we should be on the watch for signs of maladjustment, should move in quickly to repair the damage before it can hobble the whole economy.
—O—
Sooner Rent Control Reverts
To Local Level, the Better
The passage of a rent control bill by both houses of Congress is a victory for President Truman, albeit almost wholly a political triumph.
At the start of the year prospects for extension of federal controls seemed dim. The President wanted them continued a year beyond the June 30 deadline; he got only half that, but controls are being kept alive.
He achieved this much largely because this is an election year and many congressmen from large cities feared reprisals at the polls if they allowed controls to lapse. Surely Mr. Truman is well aware of the issue's political potency.
If you strip away the political covering, what is the merit of the rent control argument in 1950?
Price controls are long since gone from every other area of American life. Is there any justice in continuing them on housing alone?
A fair answer would seem to be that so long as a general housing shortage existed rent ceilings federally governed were a wise and proper measure. For the theory behind any price control is to block an upward price surge when demand for a product clearly outruns supply.
Unless all signs are wrong, there has been no general shortage of living space in this country for a long time. Serious deficiencies continue in many localities, but the impact of three years of heavy private building gradually is making itself felt in more and more areas.
Perhaps the whole matter thus should have been turned back to the states and cities last year or earlier. They do have power to decontrol if they feel their situation warrants, and a lot of sections have exercised that power. But by staying in the picture, the federal government has given other areas an excuse for not establishing their own controls—as would seem more sensible.
New York and Wisconsin already are operating under state rent controls. Their initiative unhappily hasn't been widely copied. The time has come to leave the problem to the places where shortages still exist. They've leaned on Washington long enough for protection.
The new extension won't go beyond next January. But the bill provides that after the next deadline communities can continue controls another six months at their option. It would be better if this feature had been left out, for it simply delays further the period when many localities shall have to stand on their own feet.
Controls should stay wherever there is real housing lack. But the dots on the national shortage map are no longer big enough to be the concern of Washington.

I Cor. 2
STEPS IN BECOMING INFORMED AND BALANCED
We said yesterday that both our consciences and our guidance work within the framework of our information and knowledge. One of Wesley's preachers said, "I get my text and my sermons from God without studying." Wesley asked, "Does God ever give you a text you have not read?" "No," replied the preacher. Wesley added, "Then you would better read more."
An uninformed Christian is an uninspiring Christian. That which does not hold the mind will soon not hold the heart. But the Christian must not only be well-informed; he must also be well-balanced. A lack of judgment is as disastrous as a lack of information. You must know what to do with your knowledge after you acquire it. A judge said to an oratorical young lawyer: "Young man, if you will pluck some feathers from the wings of your imagination and stick them in the tail of your judgment, you will fly better."
Perhaps if we take the following steps we shall become better-informed and better-balanced Christians:
(1) Go over your life and see where you are illiterate. You will probably find vital areas of life where you are uninformed. (2) Determine to become educated in areas where now you are not. Break up your mental habits by a mighty effort and a strict discipline. (3) Set aside a certain amount of time each day to inform yourself in the areas where you are falling down. Count that time out of the day—a standing engagement with knowledge. (4) Review your judgments and don't be afraid to reverse them. Let the mind know that its judgments will be reviewed. This will make the mind more careful.
Be an informed and balanced Christian—the most beautiful handiwork of God.
O God, I would have an informed and disciplined mind. Help me this day to begin a regime of strict discipline with myself. Help me to admit of no exceptions. For I am in the serious business of being at my best for Thee. Help me to be "a workman that needeth not to be ashamed." Amen.

The Doctor Says—
Early Diagnosis is Important
When Polio Symptoms Appear
BY EDWIN P. JORDAN, M. D.
Written for NEA Service
Fourth of five articles on poliomyelitis.
The first step in the treatment of poliomyelitis is to make the diagnosis as early as possible. This is not always easy because the disease really begins several days before there are any signs of paralysis.
Also the symptoms during this early stage are often like those of an ordinary cold or mild infection. At this point it ought to be emphasized that a good many people have the early symptoms but never get any paralysis at all.
As soon as a definite case has been discovered the other members of the family should be examined. When the diagnosis of polio has been made the patient usually should be treated in the hospital because the best results are obtained when the medical care, nursing, physical therapy, and other treatments are readily available as they are in most hospitals.
The patient with polio who develops trouble with breathing requires special treatment with a respirator or iron lung. Of course, this is a serious complication, but many recover completely, often without any paralysis at all.
No two victims of polio are exactly alike. Experience, judgment, and skill are required to get the best results from treatment. The physician, of course, should be in general charge of the measures which are undertaken.
Rest, relaxation, and muscular training later are important. Propolis has been made the patient's nursing care is invaluable as measures to combat the muscle spasm which accompanies the early stages of poliomyelitis.
For the latter purpose, the hot wet packs which have been so successfully employed and publicized by Miss Elizabeth Kenny have proved of great benefit. They help to relieve the pain and skin tenderness which often accompanies the disease.
When poliomyelitis strikes it is important first that the patient be put to bed as soon as possible. A person who has an acute illness, especially at a time when poliomyelitis is around, should be placed in bed at once, regardless of how trivial the illness may appear to be.
Don't Tempt Fate
An attack of indigestion, a head cold, fever or headache, may mean that the disease is developing. People who have tried to continue normal activity after the appearance of such warning signs run the risk of developing the disease in a more serious form.
The treatment of early poliomyelitis has already much improved and will doubtless continue to do so. To get the best results everyone should be on the alert for early symptoms and should get attention right away if suspicious signs develop.
Dr. Jordan will answer questions from his readers in a special column once a week. Watch for it.

BEV seemed normal at lunch, gay and talkative, but Bill knew she was putting on an act for the elder Coulters. After the meal, Bill got Bev aside.
"How's for golf this afternoon?" he asked. "We've got to talk some more."
The laughter was gone from her face now. "No golf, Bill," she said decisively. "And no more talk. It would tell me nothing I don't already know. If you're trying to say something like 'we can't leave it this way'—I think we can." Her hand touched him, and she gave it a warm little squeeze. "I've some things to do. No hard feelings, Bill. I haven't any."
She left him then, abruptly, as if she could not trust herself to say more. Bill shook his head, rather sadly, and wandered out to the veranda. Lloyd Williston lolled in a glider, half asleep.
"Not flying today?" Bill asked.
Lloyd yawned. "Later, maybe. They had to do a repair job on the plane this morning." Bill moved on.
Mrs. Fasker was sitting under a tree knitting steadily, like a benign Madame Defarge. She gave Bill her shrewd appraising look. "Well, young Jarvis, how you doing?"
For at least once today, Bill thought, he might be honest.
"Not too darn well," he said, forcing a grin.
She nodded. "I'm not surprised. This set-up had all the necessary ingredients. You aren't the first man to think he was crazy about one girl, and then find himself overboard for another."
He practically jumped. Of course, though, she'd guessed. Or figured odds out of what, he presumed, was a vast experience of people.
"So you think that's me?" he temporized.
Mrs. Fasker snorted. "Think? I was Mike Turner, the pro, idling by the green, smoking a pipe."
"Just lucky." Bill emerged from the trap.
"None. Nice shot. But the last person I saw in there today made a better one."
"So?"
"Yeah. Near holed out. A woman too. That Sands girl."
"Oh!" Bill clipped it consciously. But, as consciously, he felt a sudden thrill, at the mere mention of the name.
"Yeah." Mike knocked dots from his pipe. "And I'm sorry she's going, all right. Best golfer we've had here all summer."
It took an effort, but Bill controlled himself. "Did you say . . . going?"
"Uh-huh. Leaving tomorrow, she tells me."
Bill waited for no more. He threw his bag in the clubhouse and started for the inn. So that was what Hildy had meant? She—Oh, sure! He was a dope not to have understood her last night. Hildy, being Hildy, would do just this. Clear out . . . clear the air.
But she mustn't go. It wouldn't do any good. And right there Bill Jarvis knew, once and for all.
Hilda Sands could have gone to the ends of the earth but failed, signally, to take herself out of his mind.
He steamed around a bend in the path—and nearly collided with Joe Coulter.
Coulter appeared to have been hurrying along, head down. Now the head jerked up, showing a lined agitated face. "Oh! Bill, I've been hunting you all over. See here! Did Bev say anything to you?"
"T-to me?" Bill blinked. "About what?"
Coulter's shoulders sagged. "I can see she didn't. Nor to me either. But Bev went flying with that Williston fellow. Hours ago. And here it is night and they're not back yet. I've phoned the airport a dozen times. But there's no word of them. And Mrs. Coulter's half crazy."

The Mature Parent: 4
Overrating Youth, Underrating Maturity
(Here's the fourth of 10 articles by the executive director of The Children's Village, famed training community for undisciplined and unadjusted boys, which give a new perspective on relationships between the normal child and his normal parent.)
By Harold F. Strong
Written for NEA Service
At the heart of our problems as parents today is the current tendency to overrate youth and underrate maturity.
When I hear young parents talk proudly of how they allow their young children to make their own decisions, I often wonder if they have given any real thought to what they are saying.
The capacity to make a wise choice between two courses of action involves experience. Experience involves the time to acquire enough to realize how an unconsidered choice can become a cause for regret between a disheartened wife and a husband impatient with her incompetence. He was screaming if he was denied what he thought he wanted. So he got it. He made his own decisions. At 14, he broke into a store and stole money. His parents' refusal to guide Eddie's decisions had encouraged him to make bad ones.
When children insist on misbehaving, their very insistence may be their way of asking us to take over and stop them. All children want to be good. They are uneasy and uncomfortable when a momentary desire betrays them into defying us.
Their real satisfaction is in pleasing us — their parents. They don't realize this because they are young. We should realize it — and be ready to apply the brakes when their impulse to do what displeases us is too strong for them.
As a small boy, Eddie was undoubtedly pleased to find his tantrums got him what he wanted from day to day. He was too young to know how his success would affect his parents' relationship. He had not lived long enough to realize how an unconsidered choice can become a cause for regret between a disheartened wife and a husband impatient with her incompetence. He was screaming if he was denied what he thought he wanted. So he got it. He made his own decisions. At 14, he broke into a store and stole money. Getting So A Communist Can't Trust A Communist

SEOUL, June 22—(AP)—It's getting so a Communist (Korean variety) can't trust anyone. The north Korean Communist regime no doubt went to a lot of trouble training a young propagandist.

Then the Reds sent him to the border of south Korea. He was to ballyhoo through loudspeakers the glories of life in north Korea. The idea was to induce south Korean border guards to desert.

South Korean loudspeakers were blaring the glories of the south when he arrived. He took a listen, then kept right on going. Today he is a free and permanent resident of this U. S.-sponsored south Korean republic.

Scottish Rite Banquet Given

The Sedalia Scottish Rite club held a banquet Wednesday evening with members in Smithton of that rank at the Methodist church. The members and guests were accompanied by their ladies and there was a good crowd in attendance. The excellent banquet prepared by the ladies of the church was much enjoyed.

The meeting was opened with the singing of America followed by the Rev. Earl E. Dillon, pastor of the church, giving the invocation. The meeting was in charge of Lee Thomas, 32 degree, second vice president, who gave the welcoming address, in the absence of W. L. Matthews, president, and Robert E. Mullen, first vice president.

Thomas was introduced by E. W. Kettleson, 32 K.C.C.H., prior of the Consistory in Kansas City and Secretary of the Sedalia club, Adolph Scott, 32 degree K.C.C.H. and Curtis Schupbach, 32 degree Mason, arranged the meeting and program.

Kansas City guests were then introduced: Clayton H. Walker, 33 degree, Thomas Quickel, 32 degree K.C.C.H. and C. Langston, 32 degree.

Clayton Walker made a brief talk and then introduced the speaker of the evening, Thomas Quickel.

Following the address the Vaughan sisters of Clarksburg sang a number of selections, accompanied by Mrs. Nellie Monegan of Sedalia. Mr. and Mrs. Vaughan, parents of the sisters, were introduced. There were a number of other guests in attendance and all were introduced to the group.

The next meeting will be held some time in July.

Building Strength States Acheson

CAMBRIDGE, Mass., June 22.—Secretary of State Acheson declared today the United States and its allies "are on the threshold of a new period" in their quest for peace.

Despite the obstacle posed by the "inordinate ambition" of Soviet leaders, he said, war is not inevitable.

"We are building our strength," Acheson said in a speech for the Harvard University Alumni Association, "in order that we may eliminate the conditions which would give rise to war, and we are on the threshold of a new period in the successful forward movement of this effort."

"We face this new period with confidence, but we must be very clear in our minds about our purposes in times that lie ahead."

Declaring that it is "the determined purpose of this country, and of the like minded nations working with it, to prevent war," Acheson asserted:

"We do not arm for purposes of conquest. Our strength is a shield, whose purpose is twofold. First, our strength is essential to a progressive and successful resolution of the difficulties which today beset the international community."

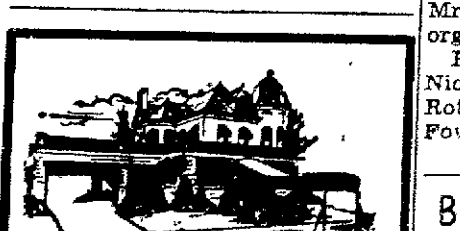

"The second purpose of our strength is to enable us to carry ahead a creative relationship with the other nations of the free world."

Begin Audit of County's Books

Two county examiners from the state auditor's office in Jefferson City arrived in Sedalia this afternoon to begin the general audit of the Pettis county books.

A. S. Zwalhen, of Butler, will be in charge of the examination. He will be assisted by Carson Gallagher, of Ladonia, Mo., and James Phillips, Elmira, Mo., who will arrive in Sedalia tomorrow.

The books and files of Pettis county dating back to early 1944 will be examined by the team. It is estimated that the project will take six months.

Attlee Asks a Confidence Vote

LONDON, June 22.—(P)—Prime Minister Clement Attlee called on Parliament today for a vote of confidence in his Schuman plan policy.

Attlee and five of his ministers laid before the House of Commons a motion asking unqualified support of the government's decision to remain out of the six-nation talks in Paris on pooling western Europe's coal and steel industries.

The motion by Attlee and his ministers is in the form of an amendment submitted two days ago by Conservative leader Winston Churchill and Liberal party chief Clement Davies. Debate opens Monday and the vote is expected the following day.

A government defeat would mean dissolution of Parliament and new general elections. Labor has a working majority of eight in the House, with some members on the sick list, but government circles expect some conservatives will abstain from voting.

Brosch Leads Early Finishers

COLUMBUS, O., June 22.—(P)—Al Brosch, 39-year-old veteran from Garden City, N. Y., clipped two strokes off Scioto Country Club par today to lead early finishers in the 36-hole qualifier for the mid-century \$40,000 PGA championship.

Brosch, with birdies on the ninth and 18th holes, turned in a 35-35-70 along with his opening 72 for a 142 total. That was two under par.

Eddie Burke of Union City, Conn., was second with 73-74-147 among early finishers.

Picked Up By Police

H. L. Davenport, of Eldon, was picked up at Main street and Ohio avenue Wednesday night by the police and is being held in the city jail. A pick-up order had been issued against Davenport when he failed to pay the balance of a \$75 fine which was imposed upon him about nine months ago on a traffic charge.

Woodland Hospital

Dismissed: Mrs. Dorothy Henderson, 1233 East Fourth street, and Mrs. Avery Spellmeyer, and son, 2501 South Ohio avenue.

Postpone Pool Opening

The opening of the swimming pool at the Sedalia Country Club, which was to be held Saturday, has been postponed.

Straight Vote As 'Always'

(Continued from page one)

against Senator Donnell (R-Mo) **Thinks Allison Wins**

Raymond P. Brandt, Washington correspondent for the St. Louis Post-Dispatch, asked Mr. Truman if he thinks Allison will win.

The President said there is no doubt about it.

Then, with a grin, he said the fact that your paper (Brandt's) is against him made it certain. He said there was historical background in Missouri to support that view.

Mr. Truman said he wants to go home to Independence to vote in the primary, but that depends on whether he is piled up with work left him by the congress. If he can't get away, he said he will vote by absentee ballot — permissible in Missouri for the first time this year.

Lausche's statement that he hadn't decided how he would vote this fall threw a rather disquieting tone about the Democratic governors' luncheon with Mr. Truman. State and national party leaders had expected a quiet, harmonious meeting at the Hotel Mayflower.

Claim to Have Victory Issues

WASHINGTON, June 22.—(P)—On the eve of a series of regional strategy sessions, Republicans were told by their national chairman today that they have the issues which should mean political victory in November.

Guy G. Gabrielson, chairman of the Republican national committee, made that comment as party members prepared to attend the first of three regional "shirtsleeve" organizational meetings aimed at "getting out the Republican vote."

The initial two-day conference will be held in Atlantic City, N. J., tomorrow, with GOP officials from 17 eastern states attending. A similar meeting will start in Salt Lake City July 31, and the final session will be held in Chicago starting Sept. 15.

"We have the issues which should spell a Republican victory in the congressional elections," Gabrielson said in advance of the New Jersey session.

"These issues should attract many of the 45,000,000 potential voters who didn't go to the polls in 1948. Many of these millions have a real incentive this year to get out and vote for Republican candidates."

Serious Charges On Minister

BROOKFIELD, Mo., June 22.—(P)—Rev. Merritt Kenneth Kirks, pastor of the Christian church at Mendon, Mo., today was charged with rape of one teen-age Brookfield girl and felonious assault against two others.

Prosecuting Attorney Marvin Hopper filed the charges and said the minister admitted raping Carol Lee Renshaw, 14, and striking Joe Ann Spencer, 13, and Joyce Elizabeth Spencer, 12, sisters, with a German Luger pistol last Thursday afternoon.

Hopper said Kirks, in a signed statement, gave this account: "He picked up the three girls in his car and after buying them soda pop at a country grocery store, stopped near Saint Catherine, Mo. He ordered the two younger girls out of the car and then struck them on the head with the Luger."

After ordering the Renshaw girl to disrobe, he raped her. He then drove four miles down the road, let the girl out and drove on to Mendon.

Rev. Kirks was arrested last night after investigation by Sgt. Walter Snyder of the state highway patrol. Snyder had a description of the man and the fact he drove a 1949 or 50 dark blue Plymouth car.

Snyder knew all roads in the area of the assault were closed except two leading into Mendon. He checked stores along the highways and at Mendon inquired if anyone owned a 1949 or 1950 Plymouth. Learning that Rev. Kirks did, Snyder, Capt. G. W. Pate of the patrol and Hopper went to the minister's home.

Hopper said the minister admitted he was caught and said his conscience hurt him so badly he thought about giving himself up last Friday.

Girls Scouts in Work for Badges

The Girl Scout Camp is a busy place with the girls working hard to complete their requirements for badges which will be given at the court of awards at 2:00 o'clock Friday afternoon. The public is invited to attend this colorful ceremony.

Two of the most industrious groups are the units of which Mrs. A. S. Chambers and Mrs. Robert Smith are unit leaders, for they are making their costumes for the Hawaiian skit they will present.

This morning John Lueck, fire chief, went to the camp where a fire drill was given and he was pleased to find the girls so well trained. He then gave them a talk on fire prevention and went to each of the four units where he had placed fire extinguishers and demonstrated the proper way to use them.

Wednesday Miss Marion Keens was at the camp working with the girls in sketching.

Mrs. P. Cecil Owen taught the glass etching class and Mrs. Chester McCubbin assisted with weaving work.

Gunfire at Enka Plant Wounds Three

(Continued from Page One)

portedly had barricaded the gates with automobiles.

The shooting broke out as three workers attempted to cut across a field to avoid the picket line to report for the early morning shift.

Their cars were halted and bullets were fired as they fled the machines.

William McGinnis was shot in the leg and head. He was brought to a hospital, where his condition was reported as critical.

Victor McDaniels and James McConney suffered superficial flesh wounds.

Powerless to Act

WASHINGTON, June 22.—(P)—The federal conciliation service said today it is powerless to act in the strike at the American Enka Corp. plant in Morristown, Tenn., until the national labor relations board determines whether an AFL or CIO textile union represents the employees.

The NLRB here said that the question of which union could bargain for the more than 700 workers is to be decided by its regional director in Atlanta, John C. Getreu. The agency has no information on the dispute here.

As long as the board has accepted the claim of the AFL, the workers enrolled, a hearing must be held and an election arranged.

Senate Votes Draft Extension

WASHINGTON, June 22.—(P)—The Senate today approved a stop-gap, 15-day extension of the present draft law, due to expire at midnight tomorrow.

The resolution now goes to the House for action.

The Senate's approval came on a voice vote.

The action was taken at the request of Senate Democratic leader Lucas of Illinois who told the Senate he feared Congress could not complete work on longer extension before tomorrow's deadline. The new deadline is July 9.

The House already has passed a bill extending the selective service act for two years, but retaining congressional control over actual drafting or inductions.

The Senate is considering a bill to extend the law for three years, with no limit on present presidential authority to order men to service.

Lucas noted that Senate approval of its measure would send the issue to a Senate-House conference. He said he doubted that Senate-House differences could be resolved in time to permit Mr. Truman to sign the bill before tomorrow midnight.

Before acting on the emergency extension, the Senate was told the draft law probably must be a permanent part of America's defense.

Senator Cain (R-Wash.) a member of the Senate armed services committee, offered this opinion, and it went unchallenged.

Further Gains on Stock Market

NEW YORK, June 22.—(P)—A rising stock market weathered a whirl selling squalls in good style today.

Gains of fractions to more than a point were liberally distributed. Steels and automobile issues were among the favorites.

A good day's business was done with turnover at a rate of around 1,800,000 shares for the full session.

The advance followed yesterday's rally which broke up a week-long decline, worst in the one-year career of the 1949-50 bull market.

Youngstown Sheet jumped around two points in an initial response to news late Wednesday of a boosted dividend and a proposal to split the stock. The advance was later cut sharply.

U. S. Industrial Chemicals gained around a point after word of a higher dividend but failed to hold the advance.

Higher prices were paid for U. S. Steel, Bethlehem Steel, General Motors, Chrysler, Goodrich, Associated Dry Goods, Gimbel Bros., Schenley, Zenith Radio, Childs, American Telephone, Western Union, American Smelting, Davy Chemical, Du Pont, Union Carbide, International Paper, Amstar, Nickel Plate, Barnsdall Oil, and Lehigh Portland Cement.

Bonds were steady.

LOS ANGELES, June 22—(P)—Movie players are studying for college degrees while they work before the cameras under a new film industry board of education plan.

Two Paramount starlets, Jean Ruth, 22, and Allene Stanley, 21, registered yesterday at Los Angeles City College for summer courses which will give them university credits. Vanessa Brown, 22, of the same studio, was graduated last year from UCLA but it took her five years of study while working in 23 films, without assistance of the new plan.

Miss Terry Moors, 21, and Jerome Courtland, 23, and Darryl Hickman, 19, all from Columbia studio, and Roddy McDowall, 21, of 20th Century Fox, also have registered at LACC. Shirley Temple, Ann Blyth, Jimmy Best and Anthony Curtis of Universal-International studio, plan to register later.

Freak Radishes Grown By Miss Betty Joe Faris

Three freak radishes were found in the garden of Miss Betty Joe Faris of two miles north of Houston early this week. The radishes had three different divisions of growth and one measured eight inches in length.

The radishes had a very large upper root like any ordinary plant then they had a section of the root that was slightly divided which was about the size of an ordinary radish only was turning white in color, the bottom part of the root was white but big enough to constitute a medium size radish. The owner of the freaks said that the three were the only ones of that kind in her garden and thought that they had grown that way because of different seasons of growth due to the changing weather conditions.

Attend 100th Anniversary

Prof. and Mrs. William B. Hert, 615 West Third street, attended open house Wednesday afternoon honoring William Henry Ellis of Booneville, who was observing his 100th birthday anniversary in the home in which he was born. He was the third William Henry Ellis, grandfather, father and son to own the farm continuously occupied by the Ellis family since June 1844, when the first William came to Missouri from Virginia. The farm is now owned by Mr. Ellis' daughter, Mrs. Morton Tuttle and her husband, with whom he made his home.

He quit school early and began trading cattle, buying up enough for a herd and driving them to land near Sedalia, where they were allowed to graze for 25 cents per head for six months.

Mr. Ellis and the Hert family have been friends for many years, the friendship starting with Mrs. Hert's father and Mr. Ellis, who were very close friends and business associates.

Do You Know Any of these People and Their Interesting Medical Records?

As Gratefully Told To Senator Dudley J. LeBlanc—

Great Statesman and Friend of the People—the Man Responsible for HADACOL—One of the Greatest Medical Contributions of the Century For Sick, Ailing Men, Women and Children Suffering Deficiencies of Vitamins B₁, B₂, Iron and Niacin . . . like the folks* below:

See if Any of Your Friends Are Here From Other Towns

Mr. John McElendon, P. O. Box 5191, Los Angeles, California. "My age is 44. My trouble is stomach distress. Can't eat and when I do, it makes me sick. But HADACOL has done me more good than anything I have tried. My mother lives in Mobile, Alabama, and sent it to me. I don't think there's anything better than HADACOL, and if there is you can have it." (A very thoughtful mother to send her son HADACOL. Why don't you send a bottle to a relative with this trouble?)

Mr. Robert C. Stuart, Better Inn, Abingdon, Virginia. "I am working in the capacity of Health Inspector for the State of Virginia and have for the past two years suffered heartburn and a form of stomach distress. I have had no appetite and spending many hundreds of dollars for treatment and aid. I have not found any relief in anything or any treatment until I tried your remarkable HADACOL, which I praise with the highest regard. Now I eat three large meals a day without any pain or discomfort. I have gained 15 lbs. since the 15th of December—never felt better in all my life. I am now taking an active part in civic and extra-curricular activities which I had to ignore since last December. I have worked zealously. Thanks to your remarkable HADACOL."

Mr. John R. Grizzle, Jr., 4903 B. Chaparral, Dallas, Texas. "I'm writing you to let you know just what HADACOL has done for me. I was feeling bad—nervous, I had headaches, lost my appetite—so my mother advised me to get HADACOL, and I tried it. My baby is only 2 1/2 months old and it sure has helped me. I've taken only one bottle and it has done wonders. My husband is taking it now too, and he surely feels better, and not so tired after a day's work. I recommend HADACOL to everyone who needs a tonic, and it surely will make you feel better. I hope this will help someone to feel better by reading or hearing this information."

Mr. Aldora Kramer of Marrero, Louisiana. "I want you to know how your wonderful HADACOL helped me. I suffered so from neuritis pains and aches, I hurt so, and I could hardly use my right hand. I even had my teeth out but got no help. I started to get HADACOL. Now I sing while I plow my fields. I'm so happy. I'll never be without HADACOL. I take it every day." (That's the spirit— isn't it great to have that wonderful HADACOL feeling? Why don't you try it?)

Mr. Clifton Crum, 511 West Commerce Street, Greenville, Alabama. "I am taking my third bottle of HADACOL and it has done more for me than any other medicine. I was awfully weak and nervous and run-down. I would have weak nervous spells and I had no appetite for food. So I heard different people praising HADACOL over the radio. My wife wanted me to give it a trial and I sure am glad I did. My back would hurt me so with neuritis pains till I couldn't sleep at night but that is all in the past. My backache is gone now and I am feeling good so I am going to continue taking HADACOL. I am 38 years old, employed by Greenville Ice and Coal Co., Greenville, Ala. I hope everybody that needs medicine will try HADACOL. I just can't praise it enough as it seems to be just the medicine I needed."

Mr. John Krumpelmann, 127 Warren St., Lexington, Kentucky. "Four months ago I was suffering from lack of energy, no get up, no appetite and great irritability. Then my friends recommended HADACOL, and in a very short time my appetite began to go back to normal and I seem as though a miracle had happened because everything was once again very bright."

Mr. Tom Kennedy, 1302 Reister Street, Hot Springs, Arkansas. "My trouble was terrible pains right after I ate my meals. I have tried pills but they didn't do any good, so I thought I would try HADACOL. After the first bottle of HADACOL, I got relief, so I wouldn't be without HADACOL. I have already told all my neighbors about HADACOL, how good it is. They are also taking it. I am 49 years old and I sure do feel a lot better, thanks to HADACOL." (What a wise woman Mrs. Kennedy is. She realizes continued use of HADACOL helps prevent such stomach misery from returning.)

Mr. L. L. Martin, 4207 Woodhead Street, Houston 6, Texas. "I am sixty years old. For the past few months have been suffering from almost constant heartburn and a heavy feeling in my chest. I had read about HADACOL in the papers but as I take care of all the expenses at home, I just couldn't buy any. Three weeks ago, my son in Kansas sent me \$5, telling me it was not for groceries but to please buy something for myself with it. I bought four bottles of HADACOL, at \$1.25 a bottle. After the first few doses of HADACOL I was free of heartburn and also of the heavy tired feeling I had been experiencing."

Mr. George F. Tuff of Poplar Bluff, Missouri. "I am 57 years old and I have started on the third bottle of HADACOL. I never have taken a medicine that helped me like HADACOL. I don't have neuritis aches or pains since I took the first bottle. I was so nervous, I had pains in my back, legs and arms till I couldn't work. Now I feel good and go all the time to work." (HADACOL gives such wonderful results because it treats the cause of such deficiencies.)

Mr. Helen Barron of Meauselle, Georgia. "My little boy had been sick for quite some time. Until I heard about HADACOL over the radio, he was weak, run-down, and apt to catch anything—he couldn't run and play like other boys did, and he wouldn't eat anything. So I got HADACOL, enough. He has taken 4 bottles and eats anything, and sleeps good, isn't tired when he gets up, runs and plays as much as anyone. He has gained weight, and feels good. I have taken some myself. He is 11 years old now. I feel sure enough about what HADACOL has done for my son. He even looks better. I want all my friends to try HADACOL."

Mr. Harry W. Smith, 10 North Water Street, Harrisburg, Illinois. "I am 41 years old, and I work at a Strip Mine. I have been bothered with aches and pains of neuritis and feel sleepy all the time, but my wife heard your broadcast on the radio about HADACOL. So I bought a trial size and it has helped me so wonderfully that I buy the large family size now. I can't begin to describe how I would feel if I couldn't buy it at all. I want everybody who feels bad to know about it."

He is 11 years old now. I feel sure enough about what HADACOL has done for my son. He even looks better. I want all my friends to try HADACOL."

Mr. Harry W. Smith, 10 North Water Street, Harrisburg, Illinois. "I am 41 years old, and I work at a Strip Mine. I have been bothered with aches and pains of neuritis and feel sleepy all the time, but my wife heard your broadcast on the radio about HADACOL. So I bought a trial size and it has helped me so wonderfully that I buy the large family size now. I can't begin to describe how I would feel if I couldn't buy it at all. I want everybody who feels bad to know about it."

Mr. L. L. Martin, 4207 Woodhead Street, Houston 6, Texas. "I am sixty years old. For the past few months have been suffering from almost constant heartburn and a heavy feeling in my chest. I had read about HADACOL in the papers but as I take care of all the expenses at home, I just couldn't buy any. Three weeks ago, my son in Kansas sent me \$5, telling me it was not for groceries but to please buy something for myself with it. I bought four bottles of HADACOL, at \$1.25 a bottle. After the first few doses of HADACOL I was free of heartburn and also of the heavy tired feeling I had been experiencing."

Mr. George F. Tuff of Poplar Bluff, Missouri. "I am 57 years old and I have started on the third bottle of HADACOL. I never have taken a medicine that helped me like HADACOL. I don't have neuritis aches or pains since I took the first bottle. I was so nervous, I had pains in my back, legs and arms till I couldn't work. Now I feel good and go all the time to work." (HADACOL gives such wonderful results because it treats the cause of such deficiencies.)

Mr. Helen Barron of Meauselle, Georgia. "My little boy had been sick for quite some time. Until I heard about HADACOL over the radio, he was weak, run-down, and apt to catch anything—he couldn't run and play like other boys did, and he wouldn't eat anything. So I got HADACOL, enough. He has taken 4 bottles and eats anything, and sleeps good, isn't tired when he gets up, runs and plays as much as anyone. He has gained weight, and feels good. I have taken some myself. He is 11 years old now. I feel sure enough about what HADACOL has done for my son. He even looks better. I want all my friends to try HADACOL."

After the first few doses of HADACOL I was free of heartburn and also of the heavy tired feeling I had been experiencing."

Mr. John McElendon, P. O. Box 5191, Los Angeles, California. "My age is 44. My trouble is stomach distress. Can't eat and when I do, it makes me sick. But HADACOL has done me more good than anything I have tried. My mother lives in Mobile, Alabama, and sent it to me. I don't think there's anything better than HADACOL, and if there is you can have it." (A very thoughtful mother to send her son HADACOL. Why don't you send a bottle to a relative with this trouble?)

Mr. Robert C. Stuart, Better Inn, Abingdon, Virginia. "I am working in the capacity of Health Inspector for the State of Virginia and have for the past two years suffered heartburn and a form of stomach distress. I have had no appetite and spending many hundreds of dollars for treatment and aid. I have not found any relief in anything or any treatment until I tried your remarkable HADACOL, which I praise with the highest regard. Now I eat three large meals a day without any pain or discomfort. I have gained 15 lbs. since the 15th of December—never felt better in all my life. I am now taking an active part in civic and extra-curricular activities which I had to ignore since last December. I have worked zealously. Thanks to your remarkable HADACOL."

Mr. John R. Grizzle, Jr., 4903 B. Chaparral, Dallas, Texas. "I'm writing you to let you know just what HADACOL has done for me. I was feeling bad—nervous, I had headaches, lost my appetite—so my mother advised me to get HADACOL, and I tried it. My baby is only 2 1/2 months old and it sure has helped me. I've taken only one bottle and it has done wonders. My husband is taking it now too, and he surely feels better, and not so tired after a day's work. I recommend HADACOL to everyone who needs a tonic, and it surely will make you feel better. I hope this will help someone to feel better by reading or hearing this information."

Mr. Aldora Kramer of Marrero, Louisiana. "I want you to know how your wonderful HADACOL helped me. I suffered so from neuritis pains and aches, I hurt so, and I could hardly use my right hand. I even had my teeth out but got no help. I started to get HADACOL. Now I sing while I plow my fields. I'm so happy. I'll never be without HADACOL. I take it every day." (That's the spirit— isn't it great to have that wonderful HADACOL feeling? Why don't you try it?)

Mr. John Krumpelmann, 127 Warren St., Lexington, Kentucky. "Four months ago I was suffering from lack of energy, no get up, no appetite and great irritability. Then my friends recommended HADACOL, and in a very short time my appetite began to go back to normal and I seem as though a miracle had happened because everything was once again very bright."

Mr. Tom Kennedy, 1302 Reister Street, Hot Springs, Arkansas. "My trouble was terrible pains right after I ate my meals. I have tried pills but they didn't do any good, so I thought I would try HADACOL. After the first bottle of HADACOL, I got relief, so I wouldn't be without HADACOL. I have already told all my neighbors about HADACOL, how good it is. They are also taking it. I am 49 years old and I sure do feel a lot better, thanks to HADACOL." (What a wise woman Mrs. Kennedy is. She realizes continued use of HADACOL helps prevent such stomach misery from returning.)

Mr. L. L. Martin, 4207 Woodhead Street, Houston 6, Texas. "I am sixty years old. For the past few months have been suffering from almost constant heartburn and a heavy feeling in my chest. Mr. and Mrs. R. E. Tull, Mr. and Mrs. H. G. Kugler and Mr. and Mrs. Donald Shull of Cross Timbers, attended the wedding of Miss Yolanda Murray to Mr. Robert Clark Palmer at the Cleveland Baptist church, Sunday, June 11, at 3:00 p. m. Mrs. Rose Ann Shull was a bridesmaid. Miss Murray was a student of Cross Timbers school a few years ago while her father, Loren J. D. Murray, was superintendent of the school here. Mr. Palmer's home is at Liberal, but they will reside in Kansas City where Mr. Palmer has a position.

Robert Salsberry of Columbus, Ohio, who operates a series of shoe stores, was through the state in connection with his business. He stopped a short while here to call on his boyhood friends and Mrs. H. G. Kugler.

Mr. and Mrs. Glen Lear have moved to the home they bought from Dr. Guss Sully of Warsaw. The Lears moved to Warsaw. Their home west of Cross Timbers is for sale. Mr. Lear has quit the garage and is hauling gravel.

Mr. and Mrs. Clifford Rose and daughter, of Richland, Wash., are here visiting his brother and wife, Mr. and Mrs. L. H. Rose and their parents, Mr. and Mrs. Frank Pope of Springfield. Mrs. Emma Carter of Buffalo. They are visiting other friends and relatives.

Mrs. Ethel Tull gave a bridal shower for Miss Frances Crouch at the Methodist church. There were about seventy guests there. Those attending from out of town were: Mrs. Morris Jenkins of Buckner, Mrs. Fayette Kugler of St. Louis, Misses Sue Sharon Bennett and Dianna Jenkins of FonDuLac, Wis. The Methodist church is holding Bible school for the children for a two-week period. Mrs. Tull and Mrs. Doris Aery are in charge.

Adventure of a Bus
NEW DEHLI, India—(AP)—To take a double-decker bus along the Delhi-Calcutta trunk road is quite a job. A local transport company dared the expedition recently but it is not likely to try again. It took 12 days to cover this 1,000-mile obstacle race. Four days alone were spent in trying to cross a river.

The West Bengal government brought the bus for use in Calcutta and preferred to take it along the trunk road. Deserts, jungles, hills, floods, loose mud, rough roads, narrow lanes, congested market squares, overhanging tree branches, obstructive telegraph and telephone wires were some of the obstacles.

The double-decker was a sensation all along its route. Villagers thronged from far and near to have a glimpse of the "double-storied motor house."

The U. S. State Department was established as the Department of Foreign Affairs July 27, 1879.

Lena Horne Tells Of Her Marriage

PARIS, June 22.—(AP)—Negro singer Lena Horne and MGM Musical Director Lennie Hayton, who is white, were secretly married in Paris in 1947. Miss Horne's manager, Ralph Harris, announced today.

Harris said the couple kept the wedding secret for professional reasons, and now have decided "it is time that everybody knew."

Hayton won an academy award last year for direction of the movie from Meade, Kas., where they have been looking after business.

version of the musical "On the Town."

Miss Horne has been appearing in a Paris night club and opens a tour of England and Belgium July 3.

Gail Horne Jones, Miss Horne's 12-year-old daughter by a former marriage, is accompanying her mother on the tour. Miss Horne and Louie Jones were divorced in 1940.

Dog Teams Are
On Job to Stay

WASHINGTON, June 22.—(AP)—Helicopters soon may drive pack-horses out of business in Canada, but dog teams are here to stay. That is the opinion Lt. Col. C. H. Smith of Ottawa, Can., gave today in an address prepared for the American congress of surveying and mapping.

Smith said helicopters are replacing pack animals in transporting survey parties in mountainous country during the summer. But in the winter, he added, nothing has been found to take the place of dog teams.
